

10/01/21

Dear Parent/Carer,

Apologies for not getting to you sooner regarding how we intend for students to start their college applications, but we wanted to make sure we had as much information as possible to move forwards.

The majority of students would have already had the opportunity in school to see Maria our external careers advisor from 'Careers 4 U' or myself. For those that haven't yet had this opportunity I will be sending individual emails to invite your child for a telephone interview with one of us over the next week or so.

For those students that are ready to complete their college applications there are a couple of ways that this can be done.

Students can complete the attached Post 16 form and email it back to myself.

or

Students can apply direct to the college using the college application forms on their websites (below are the links for Truro and Cornwall College Group). If this is the way that you wish to apply can I ask that you send me an email stating the college and course that your child is looking to do.

Truro College - <https://www.truro-penwith.ac.uk/why-choose-us/open-events/open-events> (information and link to application process)

Cornwall College Group - <https://www.virtual.cornwall.ac.uk/virtual-open-day-cornwall-college-camborne/> (information and link to application process).

I would suggest at this point that all students look at more than one option for a college course. Information for courses can be found on the above college websites.

Students will find their predicted grades from the November data collection on Careerpilot - <https://careerpilot.org.uk/> under full report.

**Be the best you can be**

Any concerns about this process or any other questions please do not hesitate to email myself at [ngrenfell@richardlander.cornwall.sch.uk](mailto:ngrenfell@richardlander.cornwall.sch.uk)

Kind Regards

Nikki Grenfell

Careers & Work Experience Co-Ordinator
