'UNDER THE CLOCK TOWER': TRURO CITY OF LIGHTS 2019

The City of Lights parade was a fantastic success again this year . Our lantern had been designed and created by a group of Year 9 students based around the theme "Under the Clock Tower" and celebrating the history of Truro. We decided to create Truro cathedral which was an ambitious task. Students worked with the artist Amanda Lorens for two days. The first day was spent building the structure and learning how to use the materials. The second day was spent papering the structure and then using coloured tissue to create beautiful stained glass windows. Many thanks to the following students in Year 9 who created the lantern: Jasmine Mathews, Abbie Strawford, Aimee Robertson, Serena Hosang, Kirstin Todd, Naimh McArthur, Lucy Knight, Sophie Dunn, Tansy Spokes, Rebecca Pearson, Carrie Ramage, Ella Woods, Keirra Gentle and Haijra Gondal.

On the day of the parade the wind was howling and the rain lashing down . We managed, with difficulty, to get our lantern out of school as it was a little too big for some doorways. Fortunately the weather conditions improved and

we were able to carry our lantern in the dry amongst all the other fantastic lanterns. It was also fantastic to have the brilliant school samba band accompany us on the route, a great evening was had by all and we would like to thank all the students who carried the lantern.

Mrs N Dalby, Head of Art

RLS CAREERS FAIR 2019

Richard Lander School students thoroughly enjoyed the annual careers fair and the opportunity to find out about college courses, both academic and vocational, along with employment in the public and private sectors.

Year 10 and 11 spent timetabled lessons visiting all of the stands and filling in a questionnaire to test their research skills, whilst Years 7,8 & 9 had the opportunity to visit the careers fair at lunchtime.

Robot Wars, CPR training, using a mixing desk and virtual reality welding proved to be extremely popular activities with our students, whilst other enjoyed trying on police body armour (very heavy), taking an engineering challenge, stroking the 'Proud to Care' kitten or puppy, or examining insects!

Everyone who attended agreed that, following the event, they were much more knowledgeable about the options open to them when they leave school.

Thank you so much to the following organisations who gave us a whole day of their staff time, away from their busy schedules, to enthuse and educate our students. They are:

Truro College, Cornwall College, Falmouth Marine School, Duchy College, Falmouth University, Exeter Maths School.

3D Kernow, SERCO, Dynamo Healthcare, Devon and Cornwall Police, Army, Royal Navy, Pendennis, Software Cornwall, WWA (Ward Williams Associates), TSB bank, Hospitality Cornwall, Newquay Orchard, Treliske Hospital, Plymouth Medical Dental, Proud to Care, Cornwall Hospice Care, Reach Social Care.

CSW, Careers4U, Ask Apprenticeships, BF Adventures and, last but by *no means* least, Richard Lander Alumni!

Thank you to Mrs Datson for organising such a successful event.

**WE'RE RAISING MONEY FOR...
BBC Children in Need**

This activity has been organised in support of BBC Children in Need. Please contact the organiser for further details.

Richard Lander School students raised funds for BBC Children in Need this year by organising a 2 round bake off and a lunchtime variety show!

CHILDREN IN NEED BAKE OFF 2019!

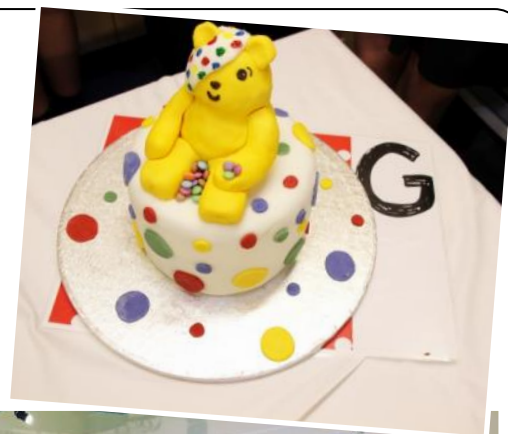

Richard Lander School has a great 'Bake Off' tradition; we have some extremely talents bakers with a healthy competitive attitude! 2019 Round 1, saw students creating Children in Need themed cupcakes and Round 2 invited competitors to create a themed 'showstopper' cake! All entries were divided into taster portions

with RLS students and staff paying 50p for three tasters and then voting on their favourite. Needless to say there were queues out of the door,

with students very keen to get their share of delicious homemade cake! The winning cake was cake "G" which was a joint effort from Mia Ewart, Jess Holmes, Lauren Marples, Imogen Spurring and Maddie Willoughby. It included a waterfall of Smarties in the middle and a sculpted Pudsey on the top! Across the two rounds, our Bake Off students made £171 and got a mention on the Children in Need edition of Blue Peter! There is a short film of the Showstopper day on RLS Instagram and Facebook. Well done to all the students who took part and put in hours of work and thank you to all the parents who sacrificed their kitchens!

CHILDREN IN NEED LUNCHTIME VARIETY SHOW - SEIDON AND MATTHEW HALL!

Following their Landers got Talent success; rock band, Seidon, and comedian, Matthew Hall, decided to use their talents to raise funds for Children in Need. They played to a packed out school hall and, by charging 20p entry fee and selling some merchandise, managed to raise over £100. Along with the bake off money and non-uniform money, this meant that Richard Lander School contributed £1544.69 to this very worthy cause.

Children in Need provides grants to projects in the UK which focus on children and young people who are disadvantaged, in all corners of the UK, with the aim of empowering children and extending their life choices. In the past, Children in Need have supported local charities such as Penhaligon's Friends, which supports bereaved children and Carefree Cornwall, which supports children in care.

RAISING MONEY

for BBC Children in Need

We raised £1544.69!

Children in Need Bake Off
Non-Uniform day
Comedy and Music event...
Well done to everyone who got involved!

TEN TORS UPDATE

The Ten Tors team have been training hard this term with fortnightly walks on Dartmoor and Bodmin Moor.

Here are some photos from the first of these which started from Meldon Reservoir on Dartmoor with a VERY steep ascent up Yes Tor and onward... Walkers experienced freezing rain and blasting wind at times, with beautiful moments when the sun made an ethereal appearance. After 17.2km, vivid Dartmoor autumn colours, combined with bog and tussock everyone was ready for a good night's sleep!

Since the Meldon Reservoir walk, the team have gradually increased the distance they walk with day expeditions from Rough Tor and Minions. Everyone is now really looking forward to the first camping expedition which will take place on the weekend of 18th/19th January with students camping at the Fox and Hounds on Dartmoor.

OPEN EVENING

YEAR 9 E-SAFETY PRIMARY SCHOOL TOUR 2019

Our Year 9 Drama students delivered an hour's worth of short plays to four feeder primary schools earlier this term. The theme for the presentation was how to stay safe when using the Internet. They worked really hard rehearsing and directing their performance at lunchtimes, and the tour was a big hit!

Our review from TLA !

My Year 3s thoroughly enjoyed your performance.

They returned to class excited to share what they had seen with me. They talked about the funny bits in the play - the banana people were a huge hit! but they were also able to explain the messages behind each sketch which was so important.

Thank you for a wonderful morning and we look forward to next year!

Mrs Odgers. Truro Learning Academy

Joe England, from Year 9, tells us more ...

On the 30th of October and the 1st of November, some year 9 drama students (including myself) visited four primary schools in the Truro area. There was 9 groups involved – each performing a short play with its own important message about staying safe online. Almost immediately after we arrived at school, after a short run-through, we hopped on our 'tour bus' with our drama teachers and made our way to the schools. It was a fun experience for all of us that were involved in the show, and the children absolutely loved it! They spoke about their favourite parts of the show at the end: the most rewarding part of the tour was hearing all the information they picked up. They really did listen to everything we said!

I, along with 5 of my friends, performed an 'E-safety song' along with a routine to go with it. We put almost every single one of our lunchtimes in the previous few weeks before that into rehearsing the song – so seeing it all come together made it all worthwhile! The Richard Lander drama department including Ms Charleston, Ms Nortje and Ms Smith were very supportive and helped us to achieve the image we wanted during the performance. I am so glad that we did this and it was definitely an experience that I won't be forgetting anytime soon!

ROTARY YOUNG CHEF 2019

Well done to all the students who took part in the Rotary Young Chef competition this year.

Round 1 saw 15 Richard Lander School chefs, from years 7–10, cooking 2 courses in under two hours. Their food was judged by professional chefs, Grant Goodson and Adam Banks, from Fifteen in Newquay, and Dale McIntosh from Gylly Beach in Falmouth.

All the judges commented that that the standard of all the food produced was exceptionally high. After much deliberation, the three winners were:

1st Place – Perdy Woodley Clarke Y7 GJUR

2nd Place – Warrick Bastin Y7 PKBO

3rd Place – Ella Snell Y7 GRKN

These students then progressed onto Round 2, where they competed against students from other Cornish schools; Falmouth School, Penryn College and Helston College. They had to produce three courses of restaurant quality food in under 2 hours. All three of our entrants did amazingly well and once again the judges were extremely impressed. Perdy Woodley Clarke from Year 7 came third overall and will now go onto the next round in Dawlish in February.

We will be eagerly following Perdy Superchef’s journey and keeping our fingers crossed for a smooth, delicious and successful experience during Round 3. Thank you to Mrs Jones and Molly from the Rotary for organising this competition.

Warning: pictures of delicious food, which *will* make you hungry, to follow!

PRESENTATION EVENING - WELCOME BACK CLASS OF 2019!

On Thursday 21st November, we welcomed the 'Class of 2019' back to school to collect their GCSE certificates and special awards. The event was probably the best attended presentation evening ever and we were also delighted that Mr Weeks, who is pursuing a new career, came back to Lander to say a final goodbye to his old Y11s

Our 'Class of 2019' always had bucket loads of 'get up and go' and a great sense of wit and humour so the evening was very enjoyable. They were delighted to learn that they are our highest academic achieving year group ever!

The event is about celebrating everyone's success with a number of special awards also being given out on the night; the highest achieving students are given Academic Special Awards for outstanding GCSE results and leaders in each subject are presented with additional curriculum awards.

Head Boy, Isaac Neale, and Head Girl, Matilda Morris, received Head Teacher awards in recognition of their outstanding commitment and contribution to the running of the school.

Kerry Scrivens was awarded the John Williams award which is

presented to a student whose achievement deserves special recognition.

Ferus Todd was awarded the Arthur Herbert Award which is presented to a student who has excelled in Science. It was donated in remembrance of Arthur Herbert, a former Head of Science at Richard Lander School.

Amber Jones was awarded The Oliver Beckerlegge Award for Modern Foreign Languages, which is given by Dr Honor Aldred, programme manager for French at the University of Leeds, in memory

of her father Oliver Beckerlegge.

We wish all of the Class of 2019 the very best for their futures. We always love to hear from you so please do stay in touch!

British Antarctic Survey Competition

The British Antarctic Survey invited Richard Lander School to take part in some celebrations as part of the 60th anniversary of the Antarctic Treaty being signed on 1st December (1959): Year 7 students were asked to design a flag, as Antarctica does not have one of its own.

The Geography department had a very tricky task of selecting just five entries to be sent out to Antarctica!

The winners are: Luca England, Mia Shipton, Elsie Blake, Bea Jackson and Joel Hawkins. Well done, and thank you to everyone who took part, we were super impressed with all the entries.

We hope to be sent photos of our flags when they have made their journey to Antarctica, so watch this space!

REBECCA'S FINALIST WATERBUCK!

Huge congratulations to Rebecca Pearson in Year 9 who is a finalist in the biannual 'Imagine' Art competition run by Falmouth Art Gallery. Rebecca has had her fantastic Waterbuck piece judged, at the gallery alongside other submissions by gallery staff and curators, and she now has her work on display in the gallery as part of an exhibition. She is now in with chance of winning a prize; the first prize being £750. Best of luck to Rebecca we have everything crossed for you!

PLEASE CONSIDER OUR NEIGHBOURS

Please can parents consider our neighbours when they are dropping off/ picking up students from school. We have had a number of complaints about cars being parked on double yellow lines, which makes it very difficult for residents to safely exit their estate.

Many thanks

GCSE TUTORIAL WITH OUR LANGUAGES ASSISTANTS

Here's your chance to get ahead with your GCSE French and Spanish revision. The RLS MFL assistants are offering private lessons after school, here at RLS, for the very competitive rate of £10 per half hour/ £20 per hour.

Improve your Spanish with Sra. Rios Bautista

Improve your French with Mlle. Dorval

THANK YOU TRURO REFILL STORE

Lander4Uganda have received a very kind and generous donation towards the 2020 fundraising target from Alice and Hannah at the Truro Refill Store. Hannah Feldman in Year 10 approached the store and impressed the owners with her determination and dedication to our worthy cause.

Truro Refill Store, in Lemon Street Market, allows customers to fill their own containers with food and cleaning products with the aim of reducing packaging; especially single use plastic. This reduces cost to the shopper and waste to the environment

Thank you so much!!

SCHOOLS JUDO COMPETITION

On Wednesday 6th November three members of Richard Lander school went and fought at the Cornwall Schools Judo competition.

Over a fantastic day of fighting, all three students medalled in some tightly fought contests. Jess Laws won gold in her weight category, Evan Dann won Bronze in his weight category, and Tobey Mazouni also won Bronze.

This is a fantastic achievement and they should all be very proud of their results.

Mr L Williams
PE Teacher

YEAR 8 HOCKEY TOURNAMENT AT PENRYN COLLEGE

Our Y8 Hockey team went to Penryn on Tuesday 19th November to play in a Hockey tournament, 19 schools were involved.

In the first round we played Penryn, Truro High and Redruth confidently winning all games. This then placed us in the semi final against Penrice and we won 4-0. The final of the first round was against Humphry Davy and once again we were undefeated with a 3-1 result.

The second round was at Truro school where we played Truro school in the semis and won 2-1. The final was against Penair who were our rivals last year, at full time the score was 1-1 so we went into 5 minutes extra time. The girls showed skill and determination but unfortunately lost 2-1. It was an amazing day and as always our girls demonstrated fantastic sportsmanship at all times.

Mrs A Jacobs, PE Teacher

WORKING WITH PRIMARY PARTNERS – MOUNT HAWKE WIN FEET BEAT COMPETITION

We have really enjoyed entertaining students from our local primary schools this term. They have taken part in a variety of fun interschool competitions, held on Fridays and organised by RLS Sports Leaders and Mr Parker. Here you see the winners of the Feet Beat Dance competition; students from Mount Hawke Academy, Years 3 & 4. Don't they look fabulous!

At the end of January, students from our local primaries, years 4,5 & 6, will be back to Lander to take part in our cross country qualifier..

REGIONAL TENNIS FINALS

Well done to our U13 tennis stars who, having won the county tennis tournament last summer, went to Exmouth College to play a knock out competition, which they also won, qualifying them for the Year 7 & 8 Boys Division 1 Regional Finals.

So on November 15th, Wes, Noah, Matt and Gilly travelled to Exeter University to play in the Regional Finals. In the semi-final the boys played Winchcombe School and after some very close games, including an amazing comeback in their doubles match by Wes and Noah, Richard Lander School narrowly lost out.

Special mention to Noah who won both of his singles games. The boys did an amazing job to finish 3rd at the first attempt at this competition. Roll on next year!!

Ms E Hurworth

RLS YEAR 8 RUGBY B TEAM VICTORIOUS

The B team were victorious in their B team festival by winning all of their 4 games.

They scored 20 tries whilst conceding only 1!!

Reuben and Oscar were joint 'player of the tournament'

Well done to you all!

U14 NETBALL TOURNAMENT AT PENRYN COLLEGE

Earlier this month our U14 Girls team played a Saturday netball tournament at Penryn College. The girls started the tournament with a match against Camborne Academy which they won 5-2 and then went on to play Truro School and Truro High School, narrowly losing these games with scores of 5-3 and 5-4 respectively. These were really close games against two tough teams.

The team then progressed on to the second round of the round robin and finished the tournament with a strong win of 8-0 vs Pool Academy.

Well done to everyone who took part, Mrs Madeley reports that you were all fabulous!

WELL DONE MARTHA AND KATIE!

Here you see Martha and Katie, who excel at basketball and have been taking part in South West Basketball training at the weekends! We look forward to hearing how these fantastic athletes progress next year!

If you are interested in taking part in girls basketball training, you can go along to Truro College on Thursdays, from 5.00-6.00pm, or Penryn College on Mondays, from 5.30-6.30.

The teams are always looking for new players and you will be made very welcome.

Why not try out a new hobby in 2020!

**ENGLISH SCHOOLS
REGIONAL CROSS
COUNTRY**

Following our success in the Cornwall and Devon Competition, 2 of our boys teams qualified for the regional Cross Country event in Taunton on Saturday 9th November. Sadly due to unavailability our Junior Boys didn't compete but we still took our 4 Inter Boys to this run in this high level competition.

The extreme wet weather of the past few weeks, and the torrential morning rain meant the course was extremely wet and muddy. Thankfully the sun did come out when it was time for the boys to run and, against some outstanding competition, all the boys performed brilliantly. These were the results for our 4 boys:

LUKE MILLS - 15TH, GILLY SMITH - 23RD, JAKE ALLEN - 35TH, DAWID MIEZIANKO - 57TH

Collectively that gave the school a position of 10th in the South-West, a really commendable effort. In the next 2 months we have several other Cross Country competitions coming up and we wish our students the best of luck for these events. Should any students wish to enter the County Championships in January they should come and see Mr Stoddard for a letter but please be aware that this is an elite competition.

**YEAR 7 GIRLS - PENINSULAR 5-A-SIDE
FOOTBALL**

On Friday 6th December, the Year 7 girls football team played in the annual Peninsular 5-A-Side Football Tournament. The team beat Cape Cornwall, St Ives and Truro in their pool matches, thereby progressing to the semi-finals. The semi-final was a tense affair due to conceding early but the girls rallied and ran out winners 3-1. The final was a competitive and nervous game, finishing 0-0 after normal time. The teams still couldn't be split after extra time so the decision went to penalties. Sadly we lost 4-3 in penalties.

Well done to all those that played and a big thanks to Romy Rundle for assisting us!

LEAH COLEMAN GK, MAISIE PROVOST CAPT, EDIE SMITH, MIA SHIPTON, MIA ROGERS, LILLY TUCKER, IZZY HUGGAN FROST, ELOWEN GAZZARD

Mr Parker, PE Teacher

**CORNISH SCHOOLS SHOW
JUMPING Pendarves
Equestrian Centre**

Richard Lander entered a massive 6 teams into the competition on 3rd November. Despite wind and rain the teams jumped amazingly.

In the open class Tack and Turnout RICHARD LANDER BIRDS (Tegen Evans, Abi Stuart, Emma Stuart, Anna Dingle) were placed 2nd and RICHARD LANDER FLYERS (Bella Davey and Katie Andrew) came 6th.

In the showjumping RICHARD LANDER FLYERS (Bella Davey and Katie Andrew) came 5th and in 6th place were RICHARD LANDER BIRDS (Tegen Evans, Abi Stuart, Emma Stuart, Anna Dingle).

In the novice Tack and Turnout RICHARD LANDER ROCKETS (Chloe McCarthy, Maya Weekes, Hannah McKiernan, Niamh Ellis) were placed 3rd. In the showjumping RICHARD LANDER ROCKETS (Chloe McCarthy, Maya Weekes, Hannah McKiernan, Niamh Ellis) came 4th and RICHARD LANDER DOLPHINS (Keona Hawker and Iona Hawker) were placed 5th.

Well done to everyone who took part on the day!

- RUBY WADE, HARRY PAYNE, FLO TAIT,**

- IZAACK DAVIS**
- BELLA DAVEY**
- KATIE ANDREW**

As always a massive thank you to everyone at home who helped students prepare and get to the show!

**Miss Cornish
Science Teacher**

Devon & Cornwall Police

Dear Parent or Guardian,

We need your help to warn young people about the dangers and consequences of becoming a money mule.

What is a money mule?

A money mule is someone who transfers stolen money through their own bank account on behalf of someone else and is paid for doing so.

Criminals need money mules to launder the profits of their crimes.

Young people are increasingly being targeted to become money mules. They are approached online or in person, including through social media, at school, college or sports clubs. Sometimes people they know persuade them to take part, often because they are also acting as money mules.

Mules will usually be unaware of where the money comes from – commonly fraud and scams – and that it can go on to fund crimes such as drug dealing and people trafficking.

Being a money mule is illegal.

When someone is caught, their bank account will be closed, and they will have problems getting student loans, mobile phone contracts and credit in the future. They could even face arrest for money laundering which carries a maximum sentence of 14 years in prison.

What to look out for

Tell-tale signs that someone might be involved could be them suddenly having extra cash, buying expensive new clothes or top-of-the-range mobile phones and gadgets with very little explanation as to how they got the money. They may also become more secretive, withdrawn or appear stressed.

You and your child can learn more and get advice by visiting www.moneymules.co.uk together.

If you are worried that someone close to you might be caught up in money muling, you can contact Crimestoppers anonymously on 0800 555 111.

Please do not attempt to contact any individual you suspect of organising money muling.

DON'T BE FOOLED

RSSF Parent Training Workshops 2019/2020

Following a successful year of RSSF training we are excited to offer our autism parent workshops for another year.

The courses are as follows:

12th October 2019 – An overview of Autism

23rd November 2019 – Sensory needs and strategies workshop

1st February 2020 – Autism and Girls workshop

7th March 2020 – Pathological Demand Avoidance workshop

25th April 2020 – Autism and Anxiety workshop

For individual workshops booked : £30 per person or 2 people for £50.

For a booking of all 5 workshops: £135 for 1 person or £225 for 2 people.

To book or for further information please email:

Christmas Fundraising Event

Monday 23rd December 2019

@ Richard Lander School

Drop off - 10am, Pick Up - 3pm

10-12.30 - Multi Sports/ 1-3 Christmas Disco

Cost - £10

What to bring

- Sports clothing and footwear for the morning for sports such as Football, Badminton, Dodgeball, Uni-Hoc and Basketball.
- Party/Disco clothing for the afternoon (changing rooms will be available)
- A packed lunch and drink
- Money for snacks and other refreshments

Year 7, 8 and 9s
Come and get Christmas started in an awesome way, with a day of fun activities with your friends!

Parents
A day of last-minute Christmas shopping, without the kids!!!

Tickets, costing £10 each, must be bought prior to the event and will be on sale in school at the following lunchtimes:

Thursday 5th December in room 107 from 1 till 1.30.

Thursday 12th December in room 107 from 1 till 1.30.

On purchasing a ticket, a contact number for the day must be provided. This event is open to students in years 7, 8 and 9. In the case of this event being over-subscribed then we will operate a first come first served basis. If there is a lack of interest in this event then it may be cancelled with all money being fully re-funded.

Any questions or queries to Lucianne Stribley on 07792137337

Funds raised will go towards supporting Elliot Stoddard's and Lleyton Stribley's Cricket tour to South Africa in February 2020.
