TING TANG -TASTIC !

The Year 7 drama club members represented the school at the Hall for Cornwall on 31st January. I was absolutely delighted with their 10 minute extract from the Nick Darke play **Ting Tang Mine** as part of the Cornwall Secondary Drama Showcase.

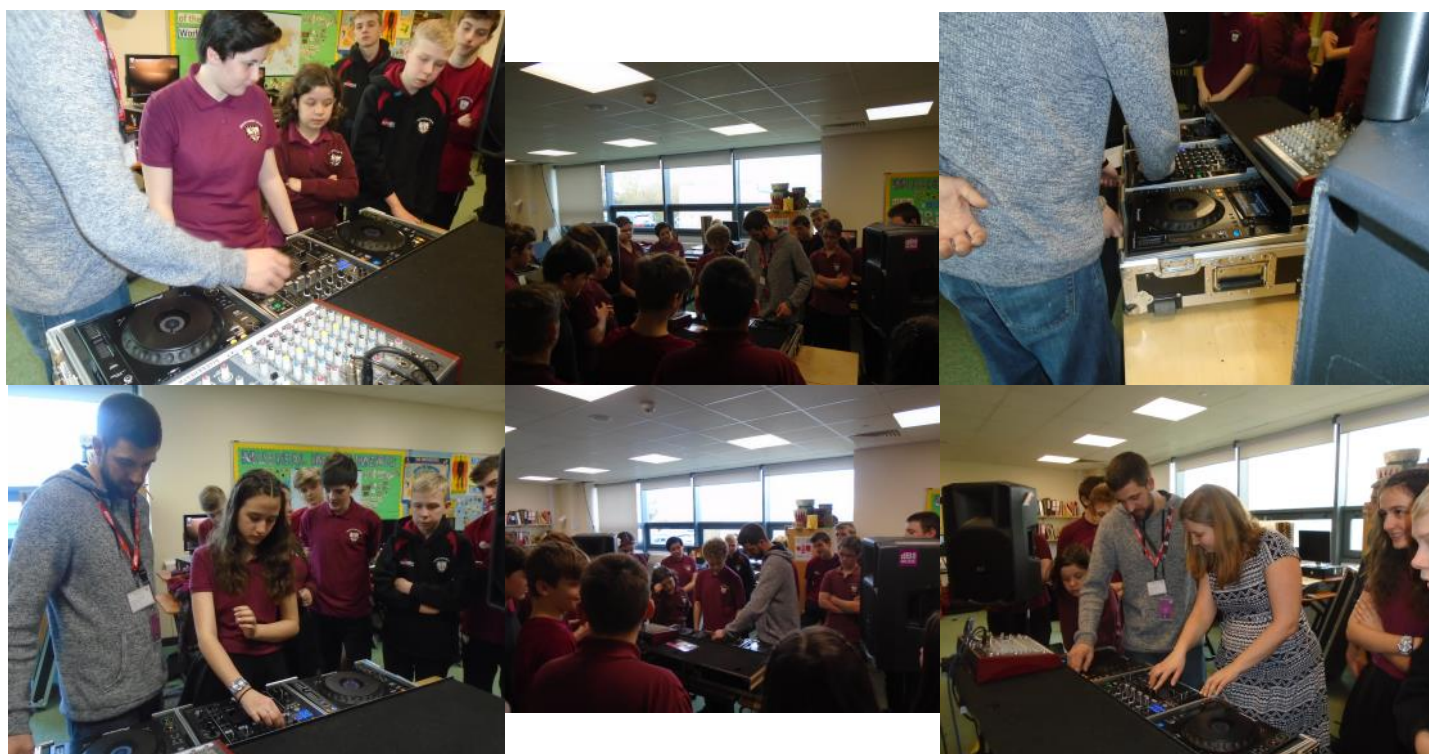

The **Cornwall Secondary Drama Showcase** challenges teachers and students from across Cornwall to explore a theme through performance. This year each school created a 10 minute piece of drama using the work of Cornish playwright and film maker Nick Darke as their inspiration. The drama club participants were also filmed by Nick's wife Jane Darke as part of a documentary she is making – more news of this to come!

Lucy Charleston

DJ Work Shop with DBS

Below are some pictures from our DJ workshop last Thursday with Seb from DBS

Year 7 Rugby 7s

The Year 7 Rugby 7s squad travelled to Pool School on Friday March 23rd to compete in the U12 County 7s Tournament. Winning their group having beaten Mounts Bay, Helston, Penrice and Fowey they progressed to the Finals. Losing narrowly to Newquay and were well beaten by champions Redruth, RLS finished third out of 16 teams and received Bronze Medals.

Captain Freddie Hirst and tournament top try scorer Gilly Smith are worthy of particular praise but the whole squad were outstanding ambassadors for Richard Lander School in extremely cold and wet conditions. Well played one and all.

*Mr J. Bridger. M.Ed.
Head of Godrevy.
Richard Lander School.*

More Football Success- Year 9 Boys

Following the recent Football success for the Year 7 and 8 boys and U14 girls the Year 9 Football team beat Truro School 5-2 in the county semi final last night. The team were very dominant throughout the game with all 13 players contributing to a great all round team performance. This means yet another Football County final for our school teams, this time on Thursday evening at Sticker Football Club. Here they will meet the winners of the East Cornwall Section and will be in confident mood following this great victory.

Girls U14 Rugby Tournament

On Wednesday the 28th March the year ten girls rugby team travelled to Camborne Rugby Club to take part in the County Tournament, In the first game that they played they were put up against reigning champions Redruth which they unfortunately lost 3-0 in a well fought battle lead by Mr Parker. In the second game the girls made a well-deserved comeback where they won 6-0 with players Sophie Buchanan, Beth Ireland, Rachael Gregson and Jenna Dymond each getting tries and Kizzy Dymond gaining two. With Helston as their final game the team wanted to end the day on a high! After watching Helston play the girls knew it would be a tough game, however as soon as the game began Lander were looking dominant. Finally after a hard game Lander came away with a second victory winning 4-1 over Helston with players Sophie Buchanan and Rosie Tucker scoring tries and Beth Ireland getting two. After a long day the girls were thrilled to come second in the competition. A huge well done to all the girls that took part!
Sophie Buchanan

Learning community hockey

Last week saw over 120 girls from years 7-10 take part in the learning community hockey. It was a fantastic turn out with 15 out of the 16 teams at full capacity. Games were played on the astro turf over two lunchtimes with each team fielding a squad of 10 for the 7 a side matches.

Rame took first place in years 8 and 10 and Pentire won in years 7 and 9.

However, when all the points were added up, the overall result was:

1st - Godrevy 27.5 points

2nd - Rame 27 points

3rd - Towan 23 points

4th -Pentire 21 points

Well done girls, some superb hockey and really close results.

Miss Cain

Girls U14 Rugby Tournament

On Wednesday the 28th March the year ten girls rugby team travelled to Camborne Rugby Club to take part in the County Tournament, In the first game that they played they were put up against reigning champions Redruth which they unfortunately lost 3-0 in a well fought battle lead by Mr Parker.

In the second game the girls made a well-deserved comeback where they won 6-0 with players Sophie Buchanan, Beth Ireland, Rachael Gregson and Jenna Dymond each getting trys and Kizzy Dymond gaining two.

Paris 2018

In March, 71 Year 8 students headed out of snowy Cornwall to sunny Paris for the week. We made our way to Paris via Dover and Calais and arrived at our accommodation just in time for our evening meal!

On Tuesday, we all headed into Paris to see the sights. We started off by exploring the Sacré Coeur and the artistic area of Montmartre before climbing the Eiffel Tower. The day ended with a relaxing trip along the River Seine taking in the sights of this beautiful city.

On Wednesday, we spent lots of money in the local market at Melun and used our French to buy souvenirs for friends and family before exploring the Royal Palace at Fontainebleau. The day ended with a trip to the local hypermarché where we spent even more money!

Thursday was Disney day! We headed to Disneyland Paris for the whole day and had lots of fun with Mickey and friends. We were all very brave (even the teachers!) and went on all of the rides before watching the final parade and heading back to our accommodation for snails for dinner!

On Friday we sadly had to say 'au revoir' to all of the amazing PGL staff who had looked after us all week. It was an amazing trip and one which I am sure many of us will never forget!

Teddy Bear Competition Winners

1st: Olivia Lyndsay

2nd: Saskia Andie

3rd: Jessica Laws

4th: Maisie Luke

5th: Caitlin Shaw

An awesome effort made by all who entered and the decision making was a very difficult one for the judges; Miss Ancell, Mrs Toms, Mrs Elford and Bethany Solway

Museum collaborative exhibition

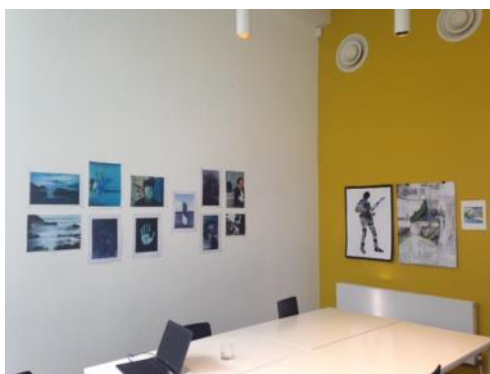

Here are some images from the museum at the opening of the collaborative art exhibition. Each individual piece was designed by a student at Richard Lander School to reflect something they felt was important to share about the world they live in. From these ideas, designs were drawn. These designs were then exposed and etched onto the same copper plated material that circuit boards on the original Voyager satellites were made. Over time they will oxidise, tarnish and change just like the ideas themselves.

Young Person's Art prize

Photos showing work on display in The Exchange Gallery in Penzance

The Young Person's Art Prize is an art competition run by The Exchange Art gallery in Penzance every year. It is aimed at students from 11-19 years old. The completion coincides with the gallery's current exhibition and the artist who is exhibiting always inspires the theme for the competition. This year the theme was 'Blue' to coincide with the exhibition of Tim Shaw's work. Schools from all over the county submit work from their students and all the entries are then shortlisted by a judging panel of artists. The selected shortlist of works are then exhibited in the gallery with prizes given for different age categories. The following students had their work shortlisted which is a fantastic achievement

Gaudi Towers

Year 7's recently were set a homework to create a Gaudi inspired tower as an extension to work completed in lessons based on Gaudi's architecture and his inspiration from nature. The brief for the homework was to create a tower using whatever materials students wanted and to be as imaginative as possible. We were astounded by the response and there were so many amazing towers that we set up a temporary exhibition on the art corridor so that everyone in school could see them and enjoy the creative ways that the Year 7's approached the task. They looked so colourful and eye catching when displayed.

- Isabella Connell
- Maisy Bawden
- Saskia Adie

Young Person's Art prize

Combined Truro Schools Art Project

Every year we have an ongoing collaboration with other Truro Schools which involves an in school project as well as selected students being able to take part in workshops run by artists. The project has a different annual theme and this year it has been STEAM to promote and engage art alongside Science, Technology, Engineering and Maths. Across the course of the year we work with other local schools to arrange workshops and an in school project around the chosen theme. This year there were workshops for selected students at Truro Museum working with a painter to respond to some of the geology artefacts that they have at the museum.

A later workshop at Goonhilly involved learning photography techniques to record the interesting landscape and buildings at the earth station. These photos went on to inform a further workshop with a print maker. Within school some Year 8 students worked on a project to create designs that were then transferred onto circuit boards. Each piece was then planned to be put together as a jewellery piece which was displayed on a mannequin. Tom Lyall in Year 8 also did a fantastic detailed drawing based on Cornish mining heritage which was then transferred onto a screen and created into a screen print.

Every year at the end of the project there is an annual exhibition of students work and this year the work was displayed in Truro Museum. There was a opening night for the exhibition which allowed students and friends and family to see their work on display in such a prestigious venue.

Young Person's Art prize

Artist workshop

At the end of term we arranged for an artist to come into school to work with selected Year 7 and 8 students. Artist Peter Margerum has a background in delivering workshops using recycled materials to create sculptures. On the day Peter arrived with boxes and boxes of found and reclaimed materials from bottle tops to bicycle parts and lots in between. He talked to the students about his own work and artistic background and went on to teach the students how to use the materials to create animals and creatures. It was amazing how the pieces of metal, wire and plastic were transformed into such imaginative outcomes. The student had a fantastic creative day and learnt a huge amount about how to transform recycled and reclaimed objects into something really exciting.

Students involved

Year 8

- Tom Lyall
- Ruby Lewellyn
- Lucy Fripp
- Akash Adikhari
- Markuss Vaivads
- Maisy Luke
- Ruby McGammon
- Emma Newberry
- Eliose Horsell
- Amber Atkins

Year 7

- Poppy Luxton
- Rebecca Pearson
- Reuvan Playle-Robins
- Jacob Jellard
- Grace Topps
- Tansy Spokes

Important up and coming dates

Every year we hold our annual Art and Photography exhibitions to celebrate the work that Year 11 students have produced over the GCSE course. Everyone is welcome to come and see their work displayed.

@TruroCathedral @TruroCathChoir @BBCCO

FRIDAY 11 May 2018, 19:30 - £12.00 (U18s FREE)

The concert programme

Truro Cathedral is thrilled that the BBC Concert Orchestra will be travelling to Cornwall in order to join Truro Cathedral Choir for what promises to be a very special concert. The theme for the concert is 'nature' and it will feature independent pieces by the choir and the orchestra, before they come together with children from Richard Lander School, Truro School, Truro High School for Girls and Cornwall Youth Chamber Choir, to perform the premiere of a new work by Dobrinka Tabakova, written especially for the occasion. The spectacular line-up will be further enhanced by world acclaimed cellist, Natalie Clein, who will join the orchestra for the evening. The BBC Radio 3 team will also be present and recording the entire concert for later broadcast.

Bach Violin Concerto in G minor, BWV1056

TBC - Graham Fitkin

Shenandoah - James Erb

All wisdom cometh from the Lord - Philip Moore

Londonderry Air - Bob Chilcott

Seek him that maketh the seven stars - Jonathan Dove

On the South Downs - Dobrinka Tabakova

Kynance Cove - Dobrinka Tabakova (first performance)

Dobrinka Tabakova

Named as one of the 10 young composers who are redefining classical music by Culture Trip, Dobrinka Tabakova's music has been described as 'exciting, deeply moving' (Washington Times), full of 'glowing tonal harmonies and grand, sweeping gestures [which]

convey a huge emotional depth' (The Strad). She has been commissioned by the Royal Philharmonic Society, BBC Radio 3 and orchestras throughout Europe. Last year, Dobrinka was appointed composer-in-residence with the BBC Concert Orchestra.

Dobrinka has been composer-in-residence with Truro Cathedral for the past 18 months, part-funded by Arts Council England, working particularly with the Girl Choristers and local schools. The concert tonight will see the culmination of the residency with the premiere of her new choral work, which sets words from the poem Kynance Cove by Cornish poet John Harris. The following day, all performers will record the new work for release on CD later in the year.

Photo credit: Candide Rietdijk.

BBC Concert Orchestra

The mission of the BBC Concert Orchestra is to bring inspiring musical experiences to everyone, everywhere, with the ensemble's great versatility as the key. The orchestra can be heard regularly on BBC Radio 2's Friday Night Is Music Night, and for BBC Radio 3 it searches out the unusual and quirky, profiling classical masterpieces in an entertaining way.

Natalie Clein

British cellist Natalie Clein has built a distinguished career, regularly performing at major venues and with orchestras worldwide. Her playing has been praised for its "astonishing range of colours and ... wide variety of expressive styles" (Gramophone Magazine).

Special Educational Needs and Disabilities (SEND) provision in Cornwall

COMPLETE OUR ONLINE SURVEY!

We want to get an up to date summary of people's views and measure change. Your answers will help us do things better in the future.

There are two types of survey:

- One for children and young people with SEND
- One for parents, carers, families and practitioners working with children and young people with SEND

You may complete the survey twice to share views from different perspectives.

The online survey will run from 17 April - 15 May 2018.

It will only take 5-10 minutes to complete.

A report of the findings will be drawn up and publicised. You can find more information about SEND events, consultation and feedback on [Cornwall Council's SEN File](#).

Visit www.cornwall.gov.uk/send to complete the online survey or find out more information.

To request the survey in alternative format or if you have any questions please email send@cornwall.gov.uk. An easy read version of the survey can be requested by calling 01872 323279.

ART SCHOOL

Summer
School
Week

Experience creativity through art and design. Come and work in our specialist studios alongside our expert tutors. Get creative using a variety of materials, building your art and design skills by using different processes each day.

Jewellery Monday or Tuesday

Using forming and doming techniques you will be making unusual bead-like jewellery components. You will be encouraged to use texture and shape by using the rolling mill and other metalwork tools and skills. The finished forms could be used to create a variety of jewellery pieces such as lockets, pendants, rings or earrings.

Photography Monday or Friday

Explore photographic techniques and skills using both digital and analog processes to create some stunning images. Use cameras, computers, paper and chemicals and produce a range of images to take home.

Pottery/Ceramics Tuesday or Friday

We will start by exploring different textures and surfaces around the college. These textures will be transferred to clay slabs. You will be taught the technique of slab building to build your chosen style of pot. Be it a mug, a jug, a desk tidy or vase. You will then decorate your pot with coloured clays. Through this hands-on ceramics workshop you'll find out how far your creativity and ideas can take you.

Digital Drawing Wednesday

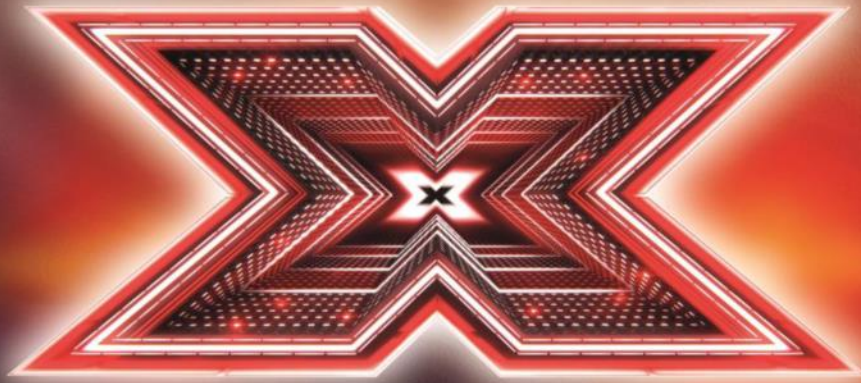

This introduction to digital drawing provides learners with the opportunity to experiment with both traditional and digital drawing techniques. Using a graphics tablet you will learn how to combine these different ways of working to produce a range of character concept designs for a video game.

3D Thursday

Exploring a range of surface manipulation techniques you will design and create your own personalised phone or iPod case. Creative techniques such as applique, melted plastics, paper cutting and hand stitching will be experimented with and form the surface of your final piece. You will be the designer of this project and will be supported in using your creativity to produce a phone/iPod case to take home with you.

WE NEED YOUR SUPPORT!

The People's Projects

During the summer of 2017 St. Agnes SLSC ran an "Awards for All Project" to deliver the SLSCB Surf Cadet program to local children from the community around St. Agnes, Cornwall.

This was very successful and the people from Big Lottery liked it so much that they selected it from a large number of projects, to be entered and subsequently shortlisted as one of only five in the South West to be considered for a Peoples Project Award.

This opportunity gives St Agnes SLSC the chance to expand the project to 400 local children this year, offer more Graduate Lifeguard courses and the Full Lifeguard course. The application also includes an upgrade of equipment for our very active voluntary patrols including a full Rescue Jet Ski, Rescue Raft and Quad Bike which will give us the capability to launch quickly from the beach and rescue anyone in trouble around our direct coastline.

The success of this application now depends on your support through the voting system. Please vote for us online or by filling in and posting one of the prepaid postcards here.

The project is called 'Safer Beaches for All'
The deadline for posting the postcards is Wednesday 25th April 2018.
(The small freepost address is correct!)

Or please vote for us online at:
<https://www.thepeoplesprojects.org.uk/projects/view/safer-beaches-for-all>

Click/hold CTRL button with mouse over link to make it active.

It is a two stage process to vote online. You will receive an email and your vote will only count if you click the link in the email. This has been a problem before for other projects. Only one vote per person/email address. However there is no age restrictions on voting. Please use the postcard options for **ALL** members of family and friends. **One postcard per person.** It only takes a moment to fill in and free to post. It will make a big difference to the Club. We need all the help we can get as we need over 4000 votes to be in with a chance.

Please share this information with everyone you know as all votes will help.

There will be a short video about us on ITV West Country News on Thursday 19th April.
