## THE ROTARY YOUNG CHEF COMPETITION - ROUND 2 DELICIOUS MENUS AND TV STARS!

**O**n Thursday 13th December, Richard Lander School hosted the regional round of the Rotary Young Chef competition. Our students, Tiffany and Dexter, along with other round 1 winners from all over Cornwall, had spent weeks working hard to design delicious 3 course meals, for 2 people, to cost no more than £15. They needed to impress professional chef judges Andrew Basso, from 15 Cornwall, and John Felton, from Gylly Beach Café.

**Supper at Tiffany's** comprised of a starter of stuffed mushrooms with goat's cheese, a main course of chana masala with warm chapattis and a dessert of mint and dark chocolate mousse. **Dexter's menu** began with timbale of smoked haddock; served on granary toast with fresh watercress with a lemon and mustard dressing, followed by chicken breast stuffed with home made pesto, wrapped in bacon and cavolo nero, served on a bed of crushed baby potatoes. Dexter

finished his menu with tarte au citron. The pressure was on to produce these culinary delights in under 2 hours to our student chef's own exacting standards and this was only intensified by the presence of TV cameras! We welcomed BBC Spotlight into school to cover the event and many of our students enjoyed seeing both competing students cooking on live TV and Dexter being interviewed.

We are delighted to tell you that both students executed their menus

to perfection and Tiffany was awarded 3rd place for her seemingly simple, yet wonderfully tasty, menu, while Dexter won 1st place with his adventurous and delicious meal. Announcing Year 7 student, Dexter as the eventual winner, the two judges praised his work ethic, his confidence and the consistency of his cooking, adding that the quality of his starter had "blown them away". Rather than cook the same menu as the previous round, Dexter chose to change all three dishes – giving himself a huge amount of work to do.

Both Dexter and Tiffany left with armfuls of trophies and prizes including vouchers for meals at Gylly Beach Café. They will also be having their own chef's whites made as part of their prize.

Both students now go through to the next round and we wish them the very best! Thank you to Truro Rotary for organising this fantastic competition and thank you to the judges for their expertise and enthusiasm.

## A MUSICAL CHRISTMAS AT RLS

We know we are not supposed to talk about it after 12th night, but we couldn't resist sharing some photos of the fabulous concerts that our music department gave us in the run up to Christmas! The *Service of 9 Lessons and Carols* and the *Informal Christmas Concert* showcased the outstanding talent of our students and provided occasions with something for

everyone, no matter what their taste in music might be.

Thank you to Truro Cathedral for allowing us to hold our Service of Nine Lessons and Carols in your beautiful house of worship. Thank you to all the families who attended and thank you most of all to the students and staff who brought the music and readings which really got us into the mood for Christmas. It was a truly magical evening.

We look forward to seeing more of all of the acts who performed at the Informal Christmas Concert which was a wonderful, varied event full

of fun, Christmas jumpers and laughter with Mr Gibson making a surprise (even for him) guest appearance in 'Merry Christmas Maggie Thatcher' and some acts making debut performances.

With the Billy Elliott cast hard at work practising for the school production in May, the Cornwall Music Festival just around the corner in March and hopefully more opportunity to see the rock bands at events, in or out of school, 2019 promises to be another fantastic year for RLS music! We can't wait!

**SUPPORTING TRURO  
FOODBANK AT CHRISTMAS  
WITH REVERSE ADVENT  
CALENDARS**

*By Leah Pollard, Year 10*

**T**his December our tutor, GLFd, decided to start a 'reverse advent calendar' in aid of Truro food bank. The concept was that we each brought in some items of food every day of December, this applied to mostly our own tutor but we also encouraged others to contribute too - they did so with great efforts. Overall we brought in an incredible 82.5kg, all put towards the increasingly urgent need for struggling families and individuals to be fed. On the last Tuesday of term, 3 of us visited Truro Foodbank to deliver our goods. Once we were there, we helped sort the food into best

before dates. As for the extra items, such as toiletries and baby products, they were put in a separate pile to be distributed to those in need. We also talked to Bob who manages the foodbank, he told us that this time last year, the food bank was able to feed around 85 people in just one day and they are expecting to break that daily record this year.

We socialised with other volunteers during the heart-warming and festive labour, meeting new people and feeling like we had contributed to our local community in doing so.

**FOLLOWING THE 'REVERSE ADVENT CALENDAR' EFFORTS OF ALL OF OUR TUTOR GROUPS LEAD BY MRS WOODRUFF AND MRS FORD'S TUTOR GROUPS, WE DECIDED TO HOLD A NON UNIFORM DAY ON THE LAST DAY OF TERM FOR TRURO FOOD BANK! THANK YOU VERY MUCH FOR ALL YOUR KIND DONATIONS; THEY WILL BE FEEDING LOCAL PEOPLE WELL INTO 2019!**

## **YOUNG ENTERPRISE STUDENTS RECEIVE TOP TIPS FROM BUSINESS DRAGONS**

On Thursday December 6th our Young Enterprise company, Study Smart, sent representatives to Truro College to take part in a Dragon's Den Support Event.

The teams were invited to make a formal presentation to the 'Dragons' introducing their fledgling companies and their main products. Our 4

students gave a really professional and cohesive presentation on their company - Study Smart - and their product - a personalised kit made by GCSE students for GCSE students to help young people study in the most effective way for them. The team received some excellent feedback from the panel of judges and also enjoyed meeting some of the other teams

Supporting the YE Company Programme and Start-Up teams at the event were Pirate FM's Managing Director Mark Peters, Grant Batty of Pixel Rain, Nicholas Pearson of

Unlocking Potential, Business Development Manager Katie Chandler of the Cornwall Association of Primary Heads, Stephanie Anderson Area Manager for Young Enterprise. Participating in the YE Company

Programme helps students build their confidence, learn employability skills and develop the knowledge and expertise they need to deliver a real product to the marketplace. We look forward to hearing more from Study Smart in 2019.

## **YEAR 9 OPTIONS EVENING—THURSDAY 24TH JANUARY**

As you are aware your child is now approaching a very important stage in his/her education as he/she passes from Key Stage 3 to Key Stage 4. Over the next few weeks students will be asked to choose their options for Years 10 and 11 and it is vital that these are carefully selected to suit their needs and strengths. Year 9 progress review meetings take place in the first few weeks of January, leading up to the Options Evening. During these sessions, tutors will be discussing choices with the students from their groups.

All students will study a core curriculum of GCSE English, maths, science, RE/Pd and PE. In addition to this we provide a range of option courses designed to provide qualifications suited to every child. Each child will select at least 4 of these courses providing a broad and balanced curriculum suited to each individual.

To help you and your son/daughter reach an informed decision regarding suitable choices for them, there will be an information evening about these options on Thursday 24th January from 5pm to 7pm. There will be a presentation in the main hall at 6.15pm where I will outline key features of the curriculum and the options process.

We would strongly recommend that you attend this evening if at all possible. Both before and after the presentation there will be an opportunity for you to speak to teachers about the specific courses that are available.

Following Options Evening, you and your child will have 2 weeks in which to complete the blue options form. Please make sure that this form is returned to Student Reception or Mrs Beech's office by Friday 8th February.

We look forward to meeting you on the 24th of January, and guiding your child through these crucial decisions.

**RLS SAFEGUARDING UPDATE**

**Screen time**

The Royal College of Paediatrics and Child Health (RCPCH) has published guidance for clinicians and parents on screen time use and the effects of screen time on children and young people. A systematic review of evidence found that children with higher screen time tend to have: a less healthy diet, a higher energy intake, and more pronounced indicators of obesity; more depressive symptoms, although it has been found by some studies that some screen time is better for mental health than none at all. Recommendations include: avoid screens an hour before the planned bedtime; families should negotiate screen time limits with their children based upon the needs of an individual child.

## NOTICE BOARD

### NEW SCHOOL UNIFORM SUPPLIER - TRUTEX

Our School Uniform Supplier is now Trutex and can be ordered on-line using our school's LEA Code: LEA00959SC, the details are on our school website (<http://www.richardlander.co.uk/whats-going-on/news/article/1127/new-school-uniform-supplier>). As Trutex are a new supplier for our uniform, there is a slight delay in them achieving their full stock levels and therefore in these initial stages there may be a delay in satisfying orders. This can be frustrating for parents and we really appreciate your patience whilst this situation is being resolved.

In the near future the school will have a full set of uniform which can be used to try on for sizing purposes before purchasing on-line. These will be stored by Student Support, students will be able to try on uniform during afternoon tutor periods. For orders over £50 the delivery costs are free and any items which need to be returned for any reason will also not incur a delivery charge, so if you are unsure of sizes you can always order and then send them back if they are not the right size. The skirts have slightly changed as the old ones are no longer available and the new ones have a dolphin (just like the one on the trousers and shorts)

embroidered on them. If you have any issues relating to uniform, please e-mail our School Business Manager, Mrs Richardson ([mrichardson@richardlander.cornwall.sch.uk](mailto:mrichardson@richardlander.cornwall.sch.uk)).

## RLS UNDER 16 TABLE TENNIS TEAM CROWNED COUNTY CHAMPIONS!

Last Wednesday, we took sixteen table tennis players to the Cornwall

Schools Table Tennis Championships at Penryn College.

Playing in teams of four, in a straight knockout format, our Under 13 team comprising of Gilly Smith, Noah Teagle, Owen Middleton and Matthew Upton,

progressed confidently through the early rounds but sadly lost a narrow encounter with Penair in the semi-finals. However, our Under 16 team of Blaise Hinshelwood, Perry Oakes, Sam Legg and Tom Stephens looked very strong from the outset and made their way through the rounds without too much difficulty, to meet an equally strong Penryn College quartet in the final. Fortunately, it was the RLS team who kept their nerve and edged a high quality final, therefore being crowned county champions and progressing to the south west zone final in Plymouth in January.

*We wish them the best of luck in the next round.*

*Mr J Williamson*

## BMX TASTER SESSION AT CORNWALL BMX RACING CLUB

On Monday, fifteen fortunate RLS students were able to miss afternoon of lessons and attend a BMX racing taster session, held at the Cornwall BMX Racing club in Blackwater. The session was aimed at giving children their first taste of BMX racing, with the hope of inspiring them to take up the sport. The session was run by Sam Leggett, a British Cycling coach, and he made sure the students had a really enjoyable time, whilst keeping it as safe as possible. He began by teaching the group some of the more basic techniques associated with racing a BMX, such as cornering and how to ride over the various features found on a track, before then letting them loose on the purpose built track.

At the end of the session it was

amazing to see the improvement in technique and confidence of the group, and numerous students were heard saying that they will definitely be returning to the track in the future to have another go.

*For anyone else wanting to give it a go, the track is open most weekends but you are advised to check their Facebook page for more accurate opening times.*
