RICHARD LANDER RACING WIN SCHOOL SPORTS TEAM OF THE YEAR AT GLITTERING GALA EVENT

Richard Lander School's twice world champion Greenpower team scooped the title of School Sports Team of the Year at The Devon and Cornwall Sports Awards 2018 last week.

The red carpet event was held at Plymouth Pavilions, where the team enjoyed a silver service 3 course meal, before being presented with their award. The team were delighted to find themselves in the company of Olympian and Commonwealth Games champion swimmer, Ben Proud, who won Sports Personality of the Year. Richard Lander Racing beat off competition from Plymouth College U14 Girls Hockey Team and Plymouth College U15 Boys Cricket Team to clinch the title of School Sports Team of the Year.

Richard Lander Racing retained their F24 World Championship title at the International Greenpower Finals held at Rockingham Motor

Speedway last October. This title involves more than just racing in the championships, as they design and build the car that they race in.

The Greenpower Education trust is a charitable organisation set up to promote the STEM (Science, Technology, Engineering and Maths) subjects, through the design and build of electric racing cars. Races are held around the UK and also further afield in the USA, China, Brazil, and Europe. All cars run the same batteries and motor, and must aim to complete the

greatest distance over a 90 minute race, two of which are run at each event.

Richard Lander School had their best ever season in 2018. Following the 2017 World Championship win, race wins were recorded at Goodwood, Castle Combe and at Predannack airfield on The Lizard, which put Richard Lander School on the top of the distance records prior to the finals, giving the team pole position for the Rockingham races.

FUNDRAISING UPDATE

The Lander4Uganda 2019 team have made a superb start to their fundraising and have already raised a staggering **£13,324!!** This has happened through true team effort with many students helping out with ‘Treat Friday’, the Halloween School Sleepover and Café Uganda / Uniform for Uganda events. Many parents have donated to the Lander4Uganda auction and individual students have come up with some really creative ways to make money:

Rufus auctioned a day of his services on Facebook, Tash had her beautiful long blond locks cropped, Jimmy, with support from Greenmount Carpets, hosted a football match, Cora, Arlo and Leah made Christmas wreaths,

Patch and Michael sold Christmas gifts. Every week, Hannah has been raffling a delicious box of vegetables, kindly donated by The Veg Shop, St Agnes, Ollie had a stall in Truro Pannier Market..

Special thanks also to Izzy Sivam, Year 7, who held a Valentine’s bake sale and donated the proceeds to Lander4Uganda and Mrs Knight’s Year 7 tutees who delivered messages of positive affirmation along with tubes of Lovehearts to the RLS community this week! It may be a few years before they are even considering travelling to Uganda with the school, but they are still getting involved in the fundraising!

The L4U 2019 team now looks forward to a bag pack at Tesco Truro on Sunday 17th February, a sponsored abseil, a second sleepover, a bake off and more. In addition, over 40 member of staff are taking part in the Welsh 3 Peak

Challenge in May for Lander4Uganda, so the team are well on target for smashing all L4U fundraising records to enable them to take on even more ambitious and life-changing projects for our partner school students, and their communities, when they visit in July 2019.

Well done to everyone involved and thank you to parents and families for you continuing support!

Tash raised nearly £900 with her sponsored hair chop—the hair is going to the Little Princess Trust!

GLOBAL CANVAS ART COMPETITION FINALISTS!

Students in KS3 Art Club, run every week by Mrs Podlaska, have been working on a project based around conservation for a collaborative competition.

Students have been creating habitats for endangered animals from paper mache and other materials. They have been working really hard over recent months and their hard work has paid off ! The great news is that our entry has

made it to the finals of the Global Canvas Art competition which is run by the David Shepard wildlife foundation.

Over 5050 children entered from 26 countries and 4 continents so this is an amazing achievement.

The finals will be held in London at the Natural History Museum in London on March 7th where we will have to set up a display of the work that our students have produced. It's a really prestigious event so we are thrilled to have made it in to the finals. A huge well done to Mrs Podlaska and all the

students involved!

**YOUNG PHOTOGRAPHER
2018/2019**

Well done to all who took part in The Rotary Young Photographer competition this year. The theme of 'The Beauty of Nature' inspired some beautiful work from our students. The topic proved popular elsewhere as well and there were over 160 entries which took 3 judges took over 3.5 hours to judge!

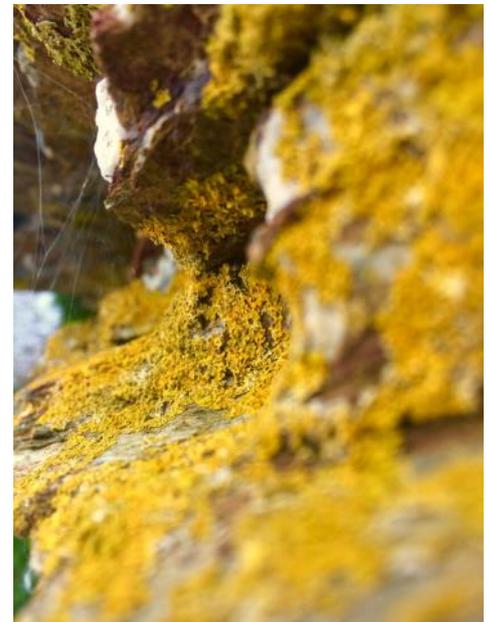

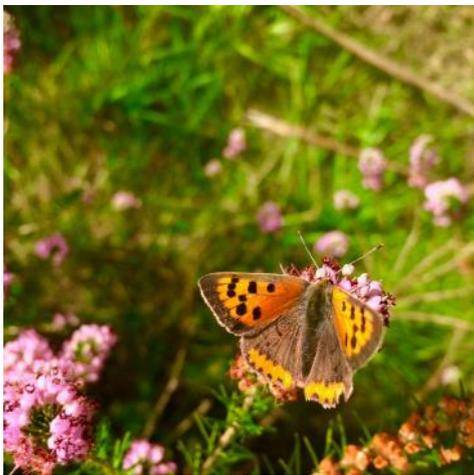

We are delighted to announce that Neve won the Intermediate section and Dan came third! In the Senior section Dylan came second and Saskia came third.

Neve's beautiful and very original

images, which feature Dotty the dog, will now progress to the next round of the competition and we wish her all the very best!

When the prizes and certificates are delivered to school Miss Wright will post on Moodle for students to collect these, along with their prints.

YEAR 10 ARTS AWARDS STUDENTS TEACH INTERNET SAFETY WITH

The Year 10 Arts Award Bronze students took to the stage this Tuesday at Threemilestone Primary School.

We were kindly invited to present an assembly to Key Stage 2 on Internet Safety Day. The staff at Threemilestone thought it would be more engaging to see young people using their theatrical skills to present key internet safety messages to their students rather than their regular assembly slot.

Our students loved this challenge and set to work writing scripts and creating projections as a backdrop to their plays. They rehearsed at

lunchtimes to perfect their presentation and Ms Charleston and Mr Bond accompanied them up to the school for the big morning. The hall was jam packed with an eager audience and the plays were very well received with a clear message about staying

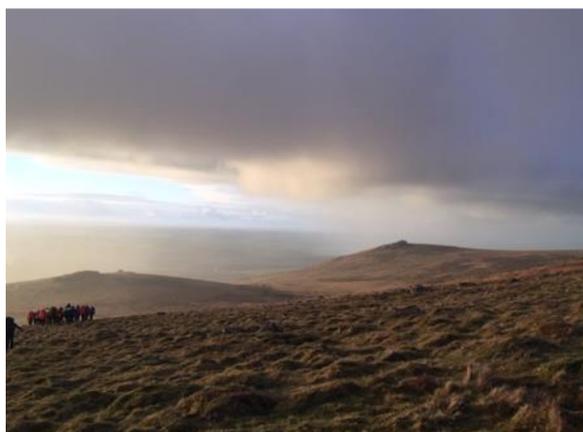

SMART when it comes to internet safety – Well done year 10 you were a credit to the school.

Mrs L Charleston - Head of Drama

TEN TORS FIRST CAMPING WEEKEND

On January 19th-20th, we took 38 Year 10 students to Dartmoor to complete the first camping weekend in preparation for the Ten Tors event in May. All students carried their own equipment including tents, stoves, food, water and clothes.

The weather was fantastic and some walked in T-shirts for part of the day on Saturday. The next day was colder but we only had an hour of rain all weekend which is rare for Dartmoor!

HISTOPATHOLOGY TALK

On the 22nd January Dr Garvican, a histopathologist came into school to tell us all about his job and career pathway. He showed us how slides from cancer biopsies were made and how to tell if a sample is cancerous or not. We had an opportunity to look at some of the slides that he brought with him and tried to make our diagnoses on a quiz which he had prepared. A really informative afternoon, and you never know, we might just have had the next histopathologist in the lab.

YEAR 7 TAKE YOUR CHILD TO WORK DAY FRIDAY 15TH MARCH

This year we would like to introduce a new and exciting opportunity for our year 7 students. On Friday 15th March 2019, we will be launching a take your child to work day. On this day it is hoped students will be able to go to work with their parent/guardian, allowing students to gain an insight into a very different world and give them an experience and understanding of the real work environment.

During the day students will be given a workbook of activities to do while observing the work place, focusing on the background of the business, job roles, qualifications required, skills needed, health and safety, work ethic, protocols, expectations, responsibilities etc.

It is understood not all students will

be able to take part in this experience for a number of reasons including part time work, health and safety concerns, etc. For students unable to go to work with a parent or guardian they will be expected to attend school. It is hoped we will be able to hold a special assembly focusing on a range of employers/careers.

More information will be sent out shortly regarding the information we require and guidance for employers

Coordinator**

At the end of the competition Towan Year 8s were victorious in with a total of 9 points, and Godrevy were victorious in Year 7, also with a winning total of 9 points. All Benchball points will be added to the LC table soon.

With so many other events to follow there is still everything for all 4 learning communities to play for.

TECH JAM

For anyone interested in technology,
for all ages and abilities

Cornwall's Tech Jams are run by volunteers working in IT and education throughout the Duchy, in association with Software Cornwall and local businesses. The Jams run from 10am to 1pm on the second Saturday of the month, alternating between venues in the Pool/Camborne area, Bodmin and Penzance. They are free to attend, you can turn up whenever you've got time and stay for as long as you like.

Children under 16 must be accompanied by an adult though.

We have 20 Raspberry Pi computers enabling you to experiment with and learn how to:

Program Robots, Code into Minecraft, Compose Music with Sonic-Pi, Launch Rockets, Control Traffic Lights, MeArm Robotic Arms, BBC MicroBits and more.
