## YEAR 6 OPEN EVENTS 2021

**T**his week would have seen Richard Lander School hosting our annual in-person open evening for Year 5/6 students and their parents and carers. Unfortunately, due to high levels of coronavirus in the community we have been unable to do this so we have, instead, put together a range of open events.

Our **interactive map** allows prospective students to 'visit' classrooms and hear what our teachers think makes their subject special. On this microsite you can also meet our Head Students and our Headteacher will welcome you to our school.

[voe.richardlander.cornwall.sch.uk](http://voe.richardlander.cornwall.sch.uk)

We have also really enjoyed meeting the students and parents who have toured Richard Lander School in person over the past few weeks. If you would like to book a tour please call 01872 273750 or email

[enquiries@richardlander.cornwall.sch.uk](mailto:enquiries@richardlander.cornwall.sch.uk)

Our SLT also hosted a question and answers session for parents on Monday 27th September.

Finally to get a flavour of life at Richard Lander School through short films of our extra-curricular provision, which have been made by students and staff, please visit

September from 6pm.

***We would like to congratulate the class of 2021 on their super exam results!***

You had more disruption to your Key Stage 4 education than any other year group in Richard Lander School's history, yet you stayed strong, conscientious and positive throughout and we are so grateful for the way you set the example to younger students during the pandemic; meeting each new challenge with maturity and acceptance.

It therefore comes as no surprise to us that you have achieved so well in your exam results. We are just sorry that we were not able to hand them to you in person. Nevertheless we are so proud of you - **our highest achieving year group to date!**

We wish you the best for all your future adventures and look forward to seeing you around Truro and welcoming you back in to school for visits. We already had the pleasure of working with some of you at our Year 6 Summer School in July/ August; we always love to hear your news so please do stay in touch!

The class of 2021 achieved some fantastic exam results

- Over a third of students gained 5 or more 9-7 grades – the equivalent to the old A/A\* grade

## WELCOME TO OUR HEAD STUDENTS AND STUDENT LEADERS 2021/22

We are delighted to be working with this outstanding bunch of young people this year.

Standing in the photo above are Freya, Arya and Gerran who are our Head Students for 2021/22. They are ably supported by a team of deputies - left to right— Evie, Jack, Jess, Marta, Zach, Isaac & Kirstin.

These students were selected from a fantastic pool of candidates to represent the student body over 2021/22. They will be leading on events, running assemblies, assisting senior staff and overall trying to make the school even better than it already is.

If any of our current students have any problems, these 10 students are here to help. They all wear Head Student badges to identify themselves. They are kind, calm and super approachable!

## EXPLORING DESIGN THROUGH 'POTENTIAL EMERGENCIES' WITH SHELTERBOX

Rachel Simpkins, a volunteer from Shelterbox delivered a virtual talk to 65 year 11 DT students this week, so that they could explore the design context 'Potential Emergencies'.

Students were encouraged to carefully consider the needs of others, how to consider humanitarianism within their design solutions, and also got to look at a Shelter Box survival kit that are donated to countries in need of aid.

The students came up with some fantastic questions for Rachel!

***We cannot wait to see what they make to help people in an emergency***

## DUKE OF EDINBURGH - BRONZE AWARD

**T**his weekend 44 Year 10 students completed their Duke of Edinburgh Bronze expedition.

To complete this section of their award students had to plan, train for and complete an unaccompanied, self-reliant expedition by their own physical efforts with minimal external intervention and without motorised assistance. The expedition needed to be for a minimum of 2 days and 1 night with 6 hours of planned activity each day.

4 groups of students set off from school at 8am on Saturday to walk to Portreath, while another 4 groups of students were minibussed to Portreath to do the route in reverse. Along the way students had to complete knot tying challenges at 5 checkpoints.

Having returned to base, cooked their dinner on a Trangia stove and spent the night under canvas on the school meadow, students were up early on Sunday ready for their second day of the challenge - a trek to Treliassick.

All 44 students completed the challenge, with no one dropping out despite plenty of blisters, getting lost and very tired legs. Everyone should be very proud of themselves; the DofE staff team are certainly proud of you all!

These 44 are the second group of Y10 student to complete their Bronze award expedition, with 48 students undertaking a similar expedition before the summer break. We look forward to supporting a further 80+ Y10 students in their expeditions and welcoming new Year 9 recruits to the DofE fold. Many of our Year 10 DofE Bronze graduates are now planning to move on to the Silver award.

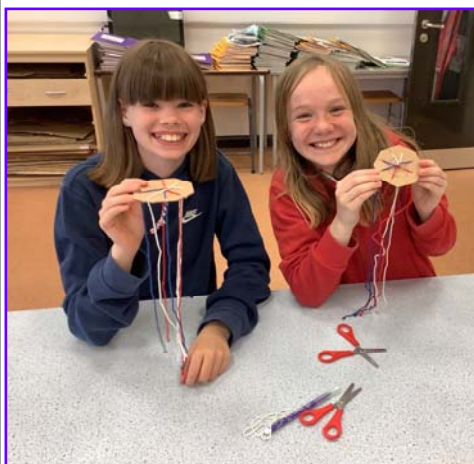

## RLS SUMMER SCHOOL

In July and August we ran a summer school during the holidays to get our new Year 7 students used to life at Richard Lander School.

The Summer School ran from 26th July to 6th August 2021. 306 students were invited and 256 attended over the 10 days. The sessions, which included English, Maths, Science and DT lessons as well as sporting, pastoral and team building activities, were provided by teachers and support staff from Richard Lander School, along with some really lovely ex-students.

The Government provided schools with funding to be able to provide this exciting transitional event for our new Year 7s and we really enjoyed spending this quality time getting to know our new students!

THANK YOU TO THE PARENTS WHO COMMENTED ON FACEBOOK :)

*My Twins are loving it and getting to know their new school! They are loving the activities and I'm so grateful to you all for giving them the best time and this opportunity*

RLS SUMMER SCHOOL

*I can't thank you enough for this experience. My son has loved it and feels way more relaxed about starting in September*

*I know my daughter is having the best time!!! Can it be extended!!!! Thank you RLS x*

RLS SUMMER SCHOOL

*'In light of not being able to do the normal transition days, summer school has been an amazing idea.. Thank you for doing this and helping our children build new friendships and happy memories ready for their next educational journey.. '*

## EUROPEAN DAY OF LANGUAGES

On the week of European Day of Languages (26th September) we celebrated that Richard Lander is One School, Many Languages!

It was really lovely to be greeted on the tannoy in the morning by some of our bilingual students and students were also welcomed to their lessons by staff from all curriculum areas in one of the 24 official European languages and then invited to guess which language their teachers were speaking. Students could submit an answer sheet to be in the chance of winning a prize for the most correct guesses. We will announce the winners soon..

## CALLING ALL BUDDING TRANSLATORS!

The MFL Department is very excited to announce that we are working with The Queen's College, Oxford for a second year enabling our students to participate in the

Anthea Bell Prize for Young Translators.

If you are a budding linguist who is looking for a future career as a translator or just want to develop your translation skills for your GCSE exam, then this is ideal for you!

Please see Mrs Shine or email [lshine@richardlander.cornwall.sch.uk](mailto:lshine@richardlander.cornwall.sch.uk) to find out more about this exciting opportunity.

## GEOGRAPHY FIELDWORK IN CARDINHAM WOODS

Our Geography department have been extremely busy over the last two weeks; they have taken over 300 GCSE students from years 10 and 11 on field trips to Cardinham Woods!

As part of their GCSE Paper 3 work students have collected data on how water flows in rivers and then critiqued their methods of collection and recording. These are essential

skills for a Geographer.

It has been great to see so many students out in their welly boots, standing in rivers and enjoying learning outdoors. Thank you Cardinham Woods!

## WE'RE HIRING!

We regularly advertise jobs on our school website at [richardlander.co.uk/vacancies](http://richardlander.co.uk/vacancies)

Here is 1 of the positions we are looking to fill at the moment. Richard Lander School is a fabulous place to work, with wonderful students, lovely staff and a true sense of community.

### Richard Lander School

## WE'RE HIRING!

### TEACHING ASSISTANT

To take a pro-active role in the support of the educational, social and physical needs of pupils; to support the curriculum and the school through the provision of a high level of assistance in the practical organisation of support activities, undertaking group work and ensuring the welfare and development of pupils.

Please visit [richardlander.co.uk](http://richardlander.co.uk) for more information. If you would like to discuss the post further or arrange a visit to the school please contact Mrs Richardson, School Business Manager: [mrichardson@richardlander.cornwall.sch.uk](mailto:mrichardson@richardlander.cornwall.sch.uk).

This position is full time and permanent to start ASAP

## MACMILLAN COFFEE MORNING RAISES £500

Last Friday the DT Food staff and the best bakers in school made delicious cakes to raise money for Macmillan Cancer Support. Amazingly we raised an incredible £506.06; one of our highest ever totals and this is without the money we would usually raise from selling Cream Teas at Year 6 Open Evening!

Thank you to everyone who donated money, made cakes and donated to the raffle. A special thanks also to the lovely Yvonne Rippon who made and donated the fantastic cake for the raffle and to Sarah Hume and Helen Dennis who organised the event.

Anyone who has had need of Macmillan services for themselves or for a family member will tell you that this is a truly wonderful and essential charity.

Macmillan help everyone with cancer live life as fully as they can. Whether help is needed paying bills, advice on benefits or treatment, or just wanting to chat, Macmillan are always there to support.

## AN EXCELLENT START TO THE NETBALL SEASON

Well done to all the girls who represented RLS in the first netball fixture of the year against Camborne Academy last week. You were a credit to the school!

### RESULTS;

**YEAR 7: WON 7-0**

**YEAR 8: WON 11-2**

**YEAR 9: WON 22-3**

**YEAR 10: WON 22-15**

**YEAR 11: WON 41-1**

## COMMUNITY BADMINTON IS BACK!

RLS Community Badminton takes place every Wednesday evening from 7—9 pm in the school sports hall. £3 for 2 hours. All ages and abilities

welcome. School racquets and shuttle cocks available to borrow.

## MERIT AND ATTENDANCE CHAMPIONS

Congratulations to those students who topped the merit board for their communities last week. They include:

**Connor Dean-Pijuan (GJSi)** in Godrevy

**Tabitha Hayes (PCWa)** in Pentire

**Neeve Roddis Dunstan (RKBo)**

**Sydney Randell (RTBr)** in Rame

**Joshua Liddington (TACo)** in Towan

In Y10 **Hannah McKiernan (10GLWi)** achieved the highest amount of merits

In Y11 **Estere Shine (11GEBo)** achieved the highest amount of merits

**Joshua Liddington (TACo)** scored the highest merits across the school last week with 26 merits, so well done to him.

The following Tutor Groups achieved the highest amount of merits in their communities last week:

- **Mrs Shine's tutor group** in Godrevy
- **Miss Wansbrough's tutor group** in Pentire
- **Miss Rickatson's tutor group** in Rame
- **Mr Cronin's tutor group** in Towan
- **In Year 10 Miss Williams's tutor group**
- **In Year 11 Miss Abbotts's tutor group**

Well done to all students in these tutor groups. All students who are in the top 10 in their

communities for merits will go into the termly prizes draws on a weekly basis.

Congratulations to students in the following tutor groups. Your tutor groups were the highest attending in your community last week:

- **Mrs Knight's tutor group** in Godrevy
- **Mr Barnett's tutor group** in Pentire
- **Miss Rickatson's tutor group** in Rame
- **Mr Conrad's tutor group** in Towan
- **In Year 10 Miss Ellis's tutor group**
- **In Year 11 Miss Abbotts's tutor group**

## Richard Lander School CO-OPTED GOVERNORS REQUIRED

At Richard Lander School we are looking for a number co-opted Governors to join our Governing body. As a Governor you will be a volunteer who makes a vital contribution to the success of the school.

This role may be particularly of interest if you have skills in finance/accounting, human resources, careers or education but we invite applications from anyone who is interested in helping the school be the best it can be. Full training is available and governors are encouraged to attend training sessions, either in person or online.

We are looking for someone who can attend approximately five full governing body meetings per year and around three to six committee meetings per year. Meetings are held in school (currently remotely), usually on Wednesday afternoons at 4.30pm. Governors also spend time in school during the day (around one to two visits per term).

You must be 18 or over to apply and all governors must have Disclosure and Barring Service (DBS) checks. If you would like to find out more please email Mrs Victoria Sleeman our Clerk to Governors at: [vsleeman@richardlander.cornwall.sch.uk](mailto:vsleeman@richardlander.cornwall.sch.uk) for an application form.

### School Governors have three main roles.

#### •Governors ensure clarity of vision, ethos and strategic direction.

The Governing Body helps to set long-term plans for the school, decide where improvements need to be made and how to make them.

#### •Governors hold the headteacher to account for the educational performance of the school and the effective and efficient performance management of staff.

The Governing Body looks at the quality of education being offered and ensures the head is doing everything possible to improve results.

#### •Governors oversee the financial performance of the school and make sure its money is well spent.

Governors examine budgets and spending proposals to monitor whether the school is getting value for money and ensure the money is spent in the right areas.

## SPORTS DAY 2021

Earlier this month our PE Department hosted an after school **Sports Day- Athletics** event for students from years 8 –11.

Last summer we unfortunately had to postpone our planned sports day which meant students had worked really hard to train in athletics and hadn't had the opportunity to compete or showcase their skills.

Track events included 100m, 200m, 300m, 800m, 1500m and relay. Field events included high jump, long jump, triple jump, shot, discus and javelin.

It was a really great evening with lots of students staying behind after school to take part. Thank you to Pip who took these photographs for us!

## UPDATE FROM THE MUSIC DEPARTMENT

Music clubs are in full flow again and it is wonderful to hear the corridors alive with rock bands, singing, samba, piano, orchestral instruments ... every lunchtime.

### EXTRA INSTRUMENTAL / SINGING LESSONS

Please go to STUDENT RECEPTION or THE MUSIC DEPARTMENT for an information letter regarding getting extra INSTRUMENTAL or SINGING LESSONS at RLS. Don't worry if you haven't signed up yet – there is still plenty of time - All timing and pricing is found at <https://www.cornwallmusicsericetrust.org/>

Your music teachers will also have lots of information if you would like to start learning to play an instrument, continue one from

primary school or start something new! We offer: Piano, Keyboard, Voice, Drum kit, Percussion, Brass including trumpet, cornet, tuba, trombone, euphonium, Woodwind including recorders, clarinet, flute, saxophone, Strings including violin, viola, cello, double bass, Strings including acoustic and electric guitar!

### BECOME A MUSIC SUBJECT LEADER

If you would like to be considered for a music subject leader please speak to your music teacher. You will be expected to join in with at least one music lunch time club, helping with primary school events (Y7-9) help with whole school events (Y10/11) and possibly help lead KS3 in singing and / or instrumental practice.

We are also looking for some inspirational leaders and role

models this year — Rock Music Leaders, Strings Leaders, Percussion Leaders, Woodwind Leader, Vocal Leaders. Please see Mrs Jones.

On **Wednesday 20th October 2021** Richard Lander School will host a **'Year 11 Music Concert'** where students who have been studying GCSE Music and Music Performance are invited to perform. Families of these students, plus Year 10 students who are now studying music are invited to attend and watch as an audience. Please note that all visitors to the school will be required to wear facemasks whilst in the school building and there is a small chance that parents will not be able to attend at last minute – should government guidance for schools change. It will be our first concert in some time, so we are very much looking forward to this!

# Take part in the **#HelloYellow** Challenge

It's normal to have ups and downs – and this year might have felt a little more down than up. We've all had worries about school, exams, feeling alone, stress at home and uncertainty about the future. But things can get better. Saying #HelloYellow this World Mental Health Day is a little thing we can do to make a BIG difference to young people's mental health.

Sometimes it's the little things in life that we often take for granted which make all the difference and brighten up our day. That's why this year we want to give your students a challenge! Can they complete these five little acts of kindness to brighten someone's day and spread some joy?

## The five step **#HelloYellow** Challenge:

Tick the box once completed!

**1** Say something kind to a teacher

☐

**2** Smile at a friend

☐

**3** Remind someone of a nice thing they did for you once

☐

**4** Ask someone if they need any help

☐

**5** Make someone laugh!

☐

Don't forget to encourage donations. Students may want to ask their parents to donate **£2** for each action they complete on **#HelloYellow** day, or even set up their own fundraising page and connect it to our campaign ([justgiving.com/campaign/helloyellow2021](https://justgiving.com/campaign/helloyellow2021)).

You can download the **#HelloYellow Challenge** to share with your class in our **#HelloYellow Resources Hub** ([youngminds.org.uk/hy-resources](https://youngminds.org.uk/hy-resources)).
