	CfCs			BfL & Grades		CfCs		BfL & Grades				BfL & Report						
Year 10	<p>R081 - Pre-production skills. Learning Outcome 1: Understanding the purpose and content of preproduction: Understanding a client brief; target audience; moodboards, scripts, visualisation diagrams, spider diagrams. Learning Outcome 2: Planning pre-production: work plans, time management and Gantt charts; target audience and how they can be categorised.</p>			Assessment on Learning Outcomes 1 and 2	<p>R081 - Pre-production skills. Learning Outcome 3: Producing pre-production documents: creation of - moodboard, spider diagram, visualisation, storyboard and analysis of scripts. Demonstrate which software can be used in creation of the above; suitable file types with their capabilities and limitations. Learning Outcome 4: Review a pre-production document and identify areas of improvement.</p>		<p>R082: Creating Digital Graphics. Learning Outcome 1: Purpose and properties of digital graphics including file types, software, hardware.</p>		<p>R082: Creating Digital Graphics. Learning the use of Adobe Photoshop to create graphics to meet a client brief: image properties, image vs canvas, layers, use of imported materials, pixilation, brushes, effects, exporting for a given use</p>		<p>R082: Creating Digital Graphics (10 hour project). Learning Outcome 1: Purpose and properties of digital graphics including file types, software, hardware. Learning Outcome 2: planning - work plan, brief analysis, pre-production documents; legal considerations. Learning Outcome 3: creating digital graphics using appropriate hardware and software (Adobe Photoshop) Learning Outcome 4: Reviewing a digital graphic, identifying how created graphic meets client brief and identifying areas of improvement and further development</p>		Revision of R081 in readiness for first examination attempt (2 allowed)	R082 submission and external moderation	R081 examination	<p>R085: Creating multipage website. Learning Outcome 1: Understand the properties and features of multipage websites. Purpose and component features of publicly accessible websites: devices used to access websites (tablet, phone, laptop, desktop, console, kiosk); methods of connection - wired, wireless, broadband, mobile data</p>		Work Experience Week
Reporting Y11	CfCs & Grades				Rep & Grades		CfCs & Grades		BfL & Grades									

Year 11	<p>R085: Creating multipage website. Use of website creation software (Adobe Dreamweaver): templates, layout methods (css, tables) , formatting, images, testing, publishing,</p>	<p>R085: Creating Digital Graphics (10 hour project). Learning Outcome 1: Purpose and properties of multipage websites Learning Outcome 2: planning - work plan, brief analysis, pre-production documents; legal considerations. Learning Outcome 3: creating multipage website using appropriate hardware and software (Adobe Dreamweaver) Learning Outcome 4: Reviewing multipage website, identifying how created graphic meets client brief and identifying areas of improvement and further development</p>	<p>R092: Developing Digital Games. Learning outcome 1: Understand game creation hardware, software and peripherals. 2D and 3D game creation, hardware and software used to create and test digital games</p>	R085 submission and external moderation	<p>R092: Developing Digital Games. Learning the use of Construct 2 to create digital games including - game algorithms, assets (sprites), layers, sounds, event sheets, games physics</p>	<p>R092: Creating Digital Graphics (10 hour project). Learning Outcome 1: Purpose and properties of multipage websites Learning Outcome 2: planning - work plan, brief analysis, pre-production documents; legal considerations. Learning Outcome 3: creating multipage website using appropriate hardware and software (Adobe Dreamweaver) Learning Outcome 4: Reviewing multipage website, identifying how created graphic meets client brief and identifying areas of improvement and further development</p>	R092 submission and external moderation	Revision of R081 in readiness for first examination attempt (2 allowed)	Public Examination
