YOU'RE NOT ALONE ...

RLS PE & SCHOOL SPORT SPORTING SUCCESS!

It's been a great year so far for our sportsmen and sportswomen with our gymnasts reaching the National Milano Finals, our Year 9 Netball Team progressing to the regional finals and our Year 11 Boys Football Team finishing runners up in the County Cup. Girls Football and Rugby have continued to go from strength to strength, our Hockey players have played many brilliant matches, students have enjoyed CrossFit, basketball and more and PE lunchtime clubs are attracting record numbers..

And this term has started superbly ...

YEAR 10 BOYS COUNTY FOOTBALL CHAMPIONS 2022!

The Year 10s have had a great football season this year which culminated in a win over Callington in the County Cup Final.

Penalties were needed to separate the teams, but RLS prevailed 4-2. The game was poignant as the RLS boys were beaten by Callington 7-1 in their first game in Year 7. They were also beaten finalists in the Year 9 County Cup.

The 2022 season started with a great run in the National Cup, winning 2 games (Redruth, Penrice) before coming unstuck against a very competent Torquay Academy side.

This season the Year 10 boys were involved in 15 games, winning 13 games, drawing once and losing once. This year we managed to get two B team games and the boys playing in these games were successful on both occasions, against Redruth and Pool.

Congratulations and well done to all those boys involved. It has been a good journey.

Mr Parker

As you can see from the photo below, our Year 10 squad is rather large. With Covid absences, every one of these boys have been called on to make this team County Champions!

U12 GIRLS COUNTY NETBALL CHAMPIONS 2022!

On Wednesday 27th April, the RLS Girls U12 Netball team travelled to Newquay Tretherras School to compete in the County Championship. We had high hopes for our girls as they had already played extremely well throughout the Netball season, as well as being runners up in the County Hockey Tournament earlier in the year.

There were 24 schools at the tournament, with 6 in each section for round 1. The Lander girls played steady Netball winning 4 of their 5 games with a narrow loss to Penrice 5-4. Despite this, the team progressed to the top tier section for the final round. Once again, this was a round robin format so it was essential to get as many wins as possible and get off to a good start to calm the nerves. The girls did just that with a 6-1 win over hosts Newquay Tretherras, followed by a 6-0 win against Mounts Bay. Penrice came next and we were desperate to get our revenge for a loss in the previous round. The Lander girls played their best Netball and were more than up to

the task; beating Penrice 7-4. This set them up nicely for the pivotal game against Truro School. Lander had first centre pass but failed to convert and soon found themselves down 2-0. With the games only 8 minutes 1 way, it was touch and go as to whether they would be able to get themselves back into the game. Defenders Ellie and Eva worked so hard to get the turn-overs that were desperately needed and soon the game was level. Shooters Sorcha and Rosie kept calm and soon put Lander into the lead. Centre court players Molly, Sunny and the amazing Maisie playing centre (and captain of the team), dominated the mid court with their tireless work ethic. With a minute to go, Lander nudged ahead 4-3 and a vital turn-over by Eva ensured a win to Lander. The final game against Wadebridge was almost a formality with the highly excited RLS girls winning 5-1.

A huge congratulation to the squad who were an absolute delight to lead and work with on the day; you thoroughly deserved your win. Special thanks to Lucianne Stribley for all of her efforts in coaching the team leading up to the county Championship.

Very proud of you all.

Miss Cain

TENNIS UPDATE

The Tennis season is well underway with our most talented players taking part in tournaments around Cornwall.

Last week our boys team placed 4th in the Simpson Cup and 3rd in the Nicholson Cup—Fantastic results; well done to you all!

Earlier this week, our U15 teams took part in an all day tournament in Newquay with the U15 boys placing 5th overall and the U15 girls coming second.

YEAR 7/8 WIN MIXED HOCKEY TOURNAMENT

At the very end of last term a team of Year 7/8 students took part in a mixed Hockey tournament. The team played 4 other schools and the students were excellent, showing great team work and determination throughout. They finished 1st and qualified for the Cornwall School Games Final!

Miss Martin

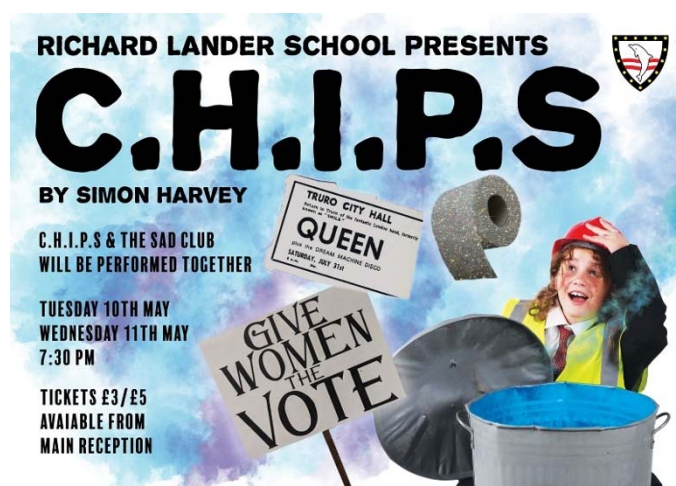

SCHOOL PRODUCTION—NEXT WEEK!

This year we have 2 school productions and you can see both in the same evening - next **TUESDAY 10TH MAY / WEDNESDAY 11TH MAY 7:30PM!**

C.H.I.P.S. (City Hall Inclusive Preservation Society) is a play by Simon Harvey. Written when the Hall for Cornwall was being renovated, this play tells the tales and rumours of Truro City Hall's rich history. Come along for a quirky, amusing performance by our Year 7 drama club, co-directed by Year 9 drama leaders! C.H.I.P.S. will be performed in the first act. Poster by Orla Cant and Freya Richards.

The Sad Club is a musical by Luke Barnes, about what living in this world stops us being happy and how we might go about tackling those problems. It's a collection of monologues, songs and duologues from all over time and space.. the music, by Adam Pleeth, is fantastic and you might find the whole experience strangely uplifting! The Sad Club is our KS4 play and contains mature language. The Sad Club will be performed in the second part of the evening; after the interval. Directed by Luc Sykes and Mrs Charleston. Poster by Amelia Santolamazza.

Tickets are now on sale at MAIN RECEPTION - £5 adults, £3 concessions.

(left) The Sad Club cast rehearsing one of the opening scenes..

Charlotte: 'I have spent every moment of the last 6 months thinking about nothing else but beating Debbie Green in the Truro Running Club final. My ENTIRE life is a direct relation to how well she is doing..'

The race Charlotte has been obsessing over is in progress..

COMMUNITY DONATION BIN**

DUKE OF EDINBURGH BRONZE EXPEDITION

Last weekend, 40 Year 10 students completed their DofE Bronze expedition. To achieve this they spent 2 days trekking between Portreath, Trelissick and RLS, carrying everything they needed to sustain themselves. Students walked in teams of 4-8, without staff supervision, (although there were staff at checkpoints). Some teams got lost but everyone made it to camp in the end!

On Saturday night most students camped in school, either in their own tents on in one of the new school bell tents. They cooked their dinner on Trangia stoves and then some played football until it got dark, despite having walked 11 miles with a heavy backpacks.

Whilst Saturday's weather was kind, Sunday was rainy and more challenging after a night camping out, but all our students did really well and all completed this element of the award.

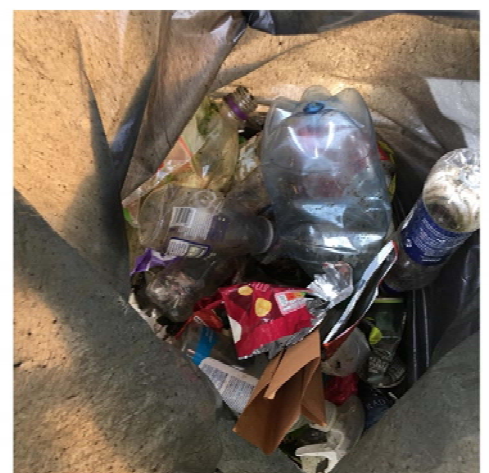

Well done to everyone who took part this weekend.

WELL DONE TO THE RLS ECO TEAM WHO SPENT LAST WEDNESDAY CLEARING THE AREAS AROUND THE SCHOOL.

2 BAGS OF LITTER COLLECTED AND RESPONSIBLY DISPOSED OF MAKING OUR SCHOOL SAFER AND MORE PLEASANT FOR WILDLIFE AND HUMAN BEINGS!

It pays to learn...

EDUCATION

A PROJECT BY
URBAN BIODIVERSITY

Growing Futures

Finding Your Natural Habitat

For young people aged 16-24 with an Education Health Care Plan, who thrive in alternative learning environments, or 16-18 year olds without an EHCP.

YEAR 1

Qualification: Entry Level 3 in Learning Employment and Progression

Year one is all about growing *you* as an individual and developing personal skills to help you to thrive.

- Building confidence
- Groupwork and teamwork
- Independence skill
- Understanding and using money
- Food waste
- Healthy eating and diets
- Fun ways to improve wellbeing
- Understanding your physical health
- Tool use and maintenance
- Health and safety awareness
- Basic horticulture
- Basic woodwork
- Understanding your community

YEAR 2

Qualification: Level 1 in Learning, Employment and Progression

Year two is about growing *your potential* and supporting you with the things you need to build a sustainable future.

- How you can protect the environment
- Wildlife and the nature around you
- What does it mean to be eco-friendly?
- Understanding the world of work
- Customer service and communication
- The tools you need for the workplace
- Routes to further education
- C.V. building
- Work experience
- Growing kitchen herbs
- Travel training
