Mental Health

7pm Christmas Carol Service at

Truro Cathedral

YEAR 5/6 OPEN EVENING 2022

By Savanna Vincent - Year 10

A couple of weeks settling back into the routine of school and a highlight of the school calendar had already crept up on us - Richard Lander Open Evening. For teachers and KS4 students the evening was something of a relief, to signal the end of the COVID-19 era, whereas for most of the KS3 student body it was a new experience entirely.

Departments were pulling out all the stops; from befriending a snake in the Science Department to tasting a variety of cheeses in the MFL corridor. The corridors were filled all night, activities were held in every room and eager families were experiencing a sneak peek of Richard Lander's vibrant curriculum.

Students were helping out all evening, showcasing particular sports, helping out with the constant flow of customers at the Uganda Cafe and much more. An unbelievable amount of the student body assisted the staff throughout the evening in the classrooms and also in the exciting opportunity of touring prospective families around the building - everyone collectively worked hard to bring the community of our school to life! Feedback from parents and teachers was all positive and applauded everyone's efforts to exhibit our wonderful school. Expectations for next years open evening are bigger and better than ever!

Author Workshop with Lou Abercombie

Ms Thomas and a selected group of Year 8 students welcomed teen author Lou Abercombie. The students spent some time planning questions, before spending some time listening to Lou talk about her inspiration, her motivation for writing, and how her life experiences influence her writing. Lou also read some extracts from her two published novels before leaving the newly inspired students to absorb themselves in their own creative writing.

National Poetry Day - Thursday 6th October

This week Key Stage 3 students celebrated National Poetry Day—an annual mass celebration that encourages everyone to make, share and experience poetry with family and friends.

The theme this year was ‘Environment’ with resources being provided by Greenpeace. Students started the lesson creating 2 line poems from a bank of words and then studied ‘We Don’t Have to Give Up Hope’ by Nicola Davies, reflecting on effective language, how to write an impactful start and how the poet leaves the reader with a feeling of hope. They then wrote their own poems. Here is one excellent example from Albert in Mrs Reed’s Year 7 class.

Environment

Earth is our home,
 No worry about our kingdom.
 Vital that we change
 Industrialisation death increasing its range.
 Rockets going up to pollute our skies,
 One small step towards our planet’s goodbye.
 Nothing can change when we do nothing,
 Me and you could do something.
 Environment is what matters,
 No one disagrees (they are just mad hatters).
 Today, today the environment matters, everything
 matters, just like you.

Albert M

We Don't Have to Give Up Hope

It isn't a done deal.
 We don't have to give up hope.
 We can change our own behaviour,
 we can throw ourselves a rope.

The future doesn't have to be a
 wasteland filled with sorrow.
 Act today to change the way the world
 will be tomorrow.

We've all to gain and much, much
 more than everything to lose.
 So look carefully in the mirror,
 and tell yourself,
 choose.

SPORTS REPORT - NETBALL

The netball season has got off to cracking start with our A teams having played 2 fixtures already and our B teams having played 1.

Last Tuesday our A teams played Redruth School at home. Well done to all the sportswomen pictured above. The scores were Year 7 lost 2-6, Year 8 won 17-4, Year 9 lost 9-14, Year 10 won 30-6 and Year 11 won 23-8.

This Tuesday our B teams played Pool Academy and all teams played really well. Many of our Year 7 students hadn't played a competitive match before but they took to it like ducks to water! RLS teams from Years 7,8 and 10 won their matches, while Pool Academy's Year 9 team won that match. We will endeavour to get photos of our B teams at their next fixtures.

We look forward to bringing you a report on the RLS rugby season in our next school bulletin but for now here is a photo of some of our Year 9 students getting stuck into training on Tuesday evening .

SCHOOL PRODUCTION - MATILDA

Preparations for school production are well underway with a launch assembly and auditions being held last week and call-backs being held this week. Over 200 students auditioned last week and Miss Smith, our new Head of Drama, wants all the students who haven't been invited for a call back to know that this absolutely does not mean they are not in the play—the call backs are just for the 8 principal characters there will be many, many other roles for you! The Creative Arts department wants this year's production to be immense, involving as many students as possible as ensemble cast members, singers, dancers, musicians, technicians, back stage support

ECO ACTIVISTS RAISE AWARENESS OF FAST FASHION

Our Eco Activists have been working with Mrs Downing to create slogan patches from upcycled material scraps to raise awareness about the evils of fast fashion and to encourage mending, upcycling and swapping clothing.

These beautiful, eye catching miniature works of art will be appearing around school soon— Keep a look out for them!

GCSE HISTORY TRIP TO LONDON

Our GCSE History students enjoyed an action packed trip to London last week.

On the first day, students visited the Imperial War Museum, where they participated in a workshop on the Holocaust held in the museum's beautiful new teaching rooms.

That evening our Year 10s ate out at the 'Jungle Café' (formerly known as the Rainforest Café) before heading off to the Vaudeville Theatre to see 'SIX the Musical.' 'SIX' sees the six wives of Henry VIII take to the mic to tell their tales, remixing five hundred years of historical heartbreak into an 80-minute celebration of 21st century girl power. Our students loved it!

The next day saw our historians visiting the Tower of London where they attended an 'Elizabeth' workshop. The Tower of London served as a royal palace, a prison, a place of execution, a royal mint, a menagerie and a public records office - it is a building steeped in stories, rumour and history.

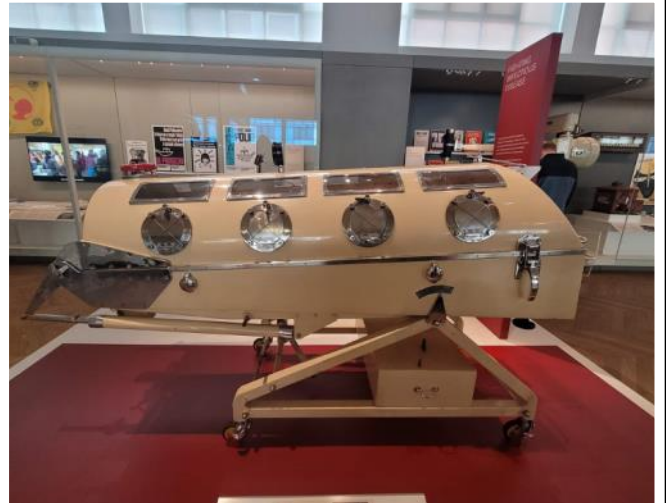

In the evening, students visited Whitehall to discover the darkest side of London in learning about the crimes of Jack the Ripper via a walking tour. Jack the Ripper was

an unidentified serial killer active in the impoverished districts in and around Whitechapel in the East End of London in 1888.

The next day, students visited the Natural History Museum and the Science Museum. Along with full scale models of dinosaurs, our students particularly enjoyed the 'History of Medicine' exhibition. Exhibits included ... an iron lung which was used when people couldn't breathe unassisted - for example sufferers of Polio...A Victorian medicine cabinet... Paintings to honour the healing power of Mary...

The London History trip proved to be an excellent way to study British history and was thoroughly enjoyed by all.

MACMILLAN COFFEE MORNING RAISES OVER £650!

Our annual Macmillan Coffee Morning broke RLS records; raising over £650 in the space of one extended break time. Of course there was a lot of extra time spent at home baking beautiful cakes and cookies to bring in—thank you to all the staff who baked or donated.

MACMILLAN CANCER SUPPORT

Macmillan Cancer Support is one of the largest British charities and provides specialist health care, information and financial support to people affected by cancer. It also looks at the social, emotional and practical impact cancer can have, and campaigns for better cancer care. Every single penny we raise at a Coffee Morning helps Macmillan do whatever it takes to help people living with cancer.

ENGLISH SCHOOLS SWIMMING ASSOCIATION

SUPER SWIMMERS AT ESSA TEAM RELAY

At the end of September, our most talented swimmers went to Millford School to take part in the South West ESSA Team Relay. This event was organised by Mr Webb to give our swimmers the opportunity to compete at a very high level—and the competition was fierce as many of the other schools were private/public schools with their own swimming pools. Well done to all our competing swimmers: we were delighted with your results.

- Junior Girls Freestyle Relay** - 19th Place in the South West
- Junior Girls Medley Relay** - 23rd Place in the South West
- Intermediate Girls Freestyle Relay** - 27th Place in the South West
- Intermediate Girls Medley Relay** - 28th Place in the South West
- Intermediate Boys Freestyle Relay** - 22nd Place in the South West
- Intermediate Boys Medley Relay** - 23rd Place in the South West
- Senior Girls Freestyle Relay** - 22nd Place in the South West
- Senior Girls Medley Relay** - 19th Place in the South West
- Senior Boys Freestyle Relay** - 16th Place in the South West
- Senior Boys Medley Relay** - 24th Place in the South West

MR WEBB - PODIUM PLACES AT WORLD AND EUROPEAN AQUATHLONS

Mr Webb regularly competes in Aquathlon events which involve a 1km swim in open water, followed immediately by a 5km run. Mr Webb competes in his age group with other 30-39 year old men.

This summer, following a gruelling training schedule, Mr Webb won a bronze medal at the World Triathlon Championship in Slovakia, followed by a silver medal at the European Triathlon Championship, held in Spain last month. (He was just 4 seconds behind the gold medallist!)

These are both fantastic achievements! Mr Webb sets an excellent example to our students in 'being the best he can be.' He shows ambition and perseverance in working towards his goals.

What is Anti-Bullying Week?

Anti-Bullying Week 2022 is coordinated in England and Wales by the [Anti-Bullying Alliance](#). It will take place from 14 to 18 November 2022 and has the theme Reach Out. Richard Lander School will be taking part. Anti-Bullying Week will remind everyone, whether it's in school, at home, in the community or online, to reach out and show each other the support we need.

What is Friendship Friday?

Friendship Friday takes place on the Friday of Anti-Bullying Week each year and is an opportunity to celebrate friendship and promote positive relationships. This year, Friendship Friday takes place on the 18th November. It's a chance for everyone - in school, at home, in the community or online - to celebrate healthy friendships and reach out to others.

Why is it important?

Bullying affects millions of lives and can leave us feeling hopeless. But it doesn't have to be this way. If we challenge it, we can change it. And it starts by reaching out.

Whether it's in school, at home, in the community or online, this week is a chance to reach out and show each other the support we need.

And it doesn't stop with young people. From teachers to parents and influencers to politicians, we all have a responsibility to help each other reach out. Together, let's be the change we want to see. We can reflect on our own behaviour, set positive examples and create kinder communities.

It takes courage, but it can change lives. So, this Anti-Bullying Week, let's come together and reach out to stop bullying.

Key Stage 3 Students will be learning about creating a culture of kindness in their PD lessons during Anti-Bullying Week

This Anti-Bullying Week,
let's come together and **reach out**
to stop bullying.

**REACH
OUT**

**Monday 14th to
Friday 18th November**
#AntiBullyingWeek
#ReachOut

RICHARD LANDER RACING - GOOD LUCK AT GOODWOOD GREENPOWER FINAL!

Richard Lander Racing are off to Goodwood Motor Circuit this weekend to compete in the Greenpower International Final. Having identified areas for improvement at their last race, the teams have been working on their pit stop changeovers this week and are now managing to swap drivers and send RLR3 back on to the track in just 10 seconds, with RLR4 changeovers not taking much longer..

RICHARD LANDER SCHOOL MERITS

merit

the quality of being particularly good or worthy, especially so as to deserve praise or reward.

There are some exciting new developments to our merits system which will hopefully see our students winning even more merits!

As you know, RLS staff already give students merits for effort, homework, creative thinking, effective participation, independent inquiry, self management, team work, good manners, caring for our planet and other admirable attitudes and behaviours

RICHARD LANDER SCHOOL MERITS

When a teacher gives you a merit, they will usually tell you but you can also check your merits on Moodle - you might get a lovely surprise - and every week an email will be sent home to tell you your total merits received.

In addition to merits from staff, from this term, students will also automatically receive merits for the following:

- Every student will receive a merit for 100% attendance in a week
- Every student will receive 10 merits for 100% attendance in a term
- CFCs - a merit for every "celebration" earned
- BFLs - 10 merits for every student in the top 10 percentile rank

RICHARD LANDER SCHOOL MERITS

EVERY merit earned will help towards the total number of trees we can provide in our tree planting project in Uganda

Our partnership means that your hard work in school will benefit another community in a very real sustainable way.

The more merits each of you receive the more trees we can plant for our partner schools in Uganda.

RICHARD LANDER SCHOOL MERITS

EVERY merit earned will also count towards your total, leading to extra awards..

- Bronze Award 100 merits
- Silver Award 200 merits
- Gold Award 400 merits
- Platinum Award 600 merits
- Diamond Award 800 merits

And... if you are in the top 10 in the weekly learning community merit tables, your name will be put into a termly lottery, where you can win really cool prizes! In the past students have taken home action cameras, laptops, tablets.. AND earning merits may also help to win chocolates for your tutor group!

RLS MEDIA CLUB

- Write for the school bulletin / website
- Make films/ take photos of school events
