The PSD curriculum addresses the 4 broad areas of need as per the SEND COP, Communication and Interaction, Cognition and Learning, SEMH and Sensory and Physical. This also includes life and social skills education. Preparation for Adulthood targets include, health, community inclusion, employment and Independent living.		

Curriculum Enrichment Week

Understanding Our World Curriculum	<p>In close conjunction with the ARB lead teacher, curriculum topics for these subjects are planned based around the current needs of the individual students, current contextualised topics and the overall ethos of the ARB, thus providing a varied and relevant curriculum. ARK curriculum is linked to mainstream subjects following the key stage 3 curriculum</p>		<p>Assessed termly using the B squared assessment tool. This additional curriculum is delivered by our mainstream specialist teachers within subject specific areas.</p>
