

Dear Parent/Carer,

In previous years we have set aside the last full week of the school term for a programme of activities for students in Years 7 to 9 known as Curriculum Enrichment Week (CEW). As a school, we found this week hugely beneficial for the whole school community in terms of providing opportunities, new experiences, forming relationships and to broadening their horizons.

This year's Curriculum Enrichment Week will take place from Monday 17<sup>th</sup> July to Thursday 20<sup>th</sup> July, with Friday 21<sup>st</sup> a half day in school spent with tutors. The 4 days of CEW will include a mixture of school based curriculum pursuits or daylong activities. We expect the choices made to be thoughtful, so that a good range of activities can be enjoyed. Students are able to choose a maximum of 2 out of school activities. If your child is in Rame or Towan they can choose 2 out of school activities on Monday and Tuesday. If in Godrevy or Pentire, they can choose 2 out of school activities on Wednesday and Thursday.

Some year 9 students will be completing their Duke of Edinburgh Expeditions over the Monday- Tuesday or Wednesday- Thursday. This will be prefilled in on the booking system.

To enable you to discuss the activities with your child, we have issued this information ahead of the booking system **going live at 12pm Wednesday 29th March. Some activities have limited spaces** these will be allocated on first come first served basis. If you are unable to complete the online form, please contact [CEW@richardlander.cornwall.sch.uk](mailto:CEW@richardlander.cornwall.sch.uk) so that we may assist you with your query.

Curriculum Enrichment Week is an integral part of the "whole school experience" for every child and takes place in term time, we ask parents to complete an absence request form for any planned absence during this week, this form can be found on the school website.

Please ensure the online booking form is completed by **Friday 28th April**.

**Please note, if you choose a paid activity, payment will need to be made by Friday 9th June 2023, any unpaid places on trips will be cancelled, and your child placed on an available free in-school activity.** Should any issues regarding payment arise please contact the school's Finance Team on [finance@richardlander.cornwall.sch.uk](mailto:finance@richardlander.cornwall.sch.uk) as soon as possible so that we can work with you to resolve the problem. The early payment date is necessary so that the school can cancel any unpaid places.

All payments need to be made via our online payments system ParentPay (which can be accessed through the school website). The website is secure and you can pay by either Debit or Credit card. If you wish to pay by Cash, you will need a separate letter with a Barcode, which you can take to your nearest PayPoint store. Please contact the Finance Team if you require your login details for ParentPay on [finance@richardlander.cornwall.sch.uk](mailto:finance@richardlander.cornwall.sch.uk)

For additional information about Curriculum Enrichment Week, specific activities or if you do not have access to an internet connection please contact Mr R Morgans on [CEW@richardlander.cornwall.sch.uk](mailto:CEW@richardlander.cornwall.sch.uk)

CURRICULUM ENRICHMENT WEEK
