# Revising GCSE Maths

Duncan Moulder – Head of Maths

What do we do in school to help students prepare for their Maths GCSE?

- Starter booklets (First 10 minutes of each lesson)

- Exam style question focus to most lessons

- Past paper focus approaching exams

- PM registration throughout KS4

- Tuesday Revision sessions from October 7th

How best to revise independently at home

- Complete weekly Sparx HW to 100%

- Do the extras (XP Boost, Target)

- Sparx independent learning

- Ultimate Practice Paper Revsion

Conversation with student…

Student: Sir, I did loads of past paper revision over the weekend

Teacher: Great! What sort of scores were you getting?

Student: I have no idea, The mark scheme I found online was really difficult to understand.

There is little or no point in completing a practice paper on your own at home UNLESS you get immediate feedback. Video walkthroughs and exemplar solutions are the best way to solve this issue

EVERYTHING IN ONE PLACE!

Each practice paper contains:

- A past exam paper
- QR link to the written solutions
- Sparx codes for extra practice
- QR link to video walkthrough
- QR link to a shadow paper
- QR link to shadow paper solutions

Name: _____

Ultimate Practice Paper Revision

Summer 2023 Paper 1 Higher

SUPER CHARGE YOUR REVISION!

Practice papers are far more useful when you...

- Complete a double page.
- Look at the worked solutions after every double page or look at the video solutions; whichever you prefer.
- For the questions/topics that you got wrong, look at the Sparx codes and build up your confidence.
- Have a go at the shadow paper and check your answers on the mark scheme.
- A shadow paper is very similar to the original paper

Written Solutions	Video Solutions	Shadow Paper	Shadow Paper Mark Scheme

How to get the most out of it…

- Complete a double page at a time
- Look at the worked solutions after every double page or the video solutions
- For the questions/topics that you didn't understand, you can look at the sparx codes and build up your confidence
- Have a go at the corresponding double page in the shadow paper and use the mark scheme to check your answers

Let me take you through the process…
